## Message from the President of the Lions Club of Hastings

It is my great pleasure to be the President of the Lions club of Hastings and as such to be involved this year at the start and finish of this the 36<sup>th</sup> half marathon. I have been involved with the Lions for 10 years and assisted with marshalling Queensway to the Ridge throughout that time. I am full of admiration for everyone who takes part in the Half Marathon and the Mini Run, the commitment, dedication and effort to complete the course is amazing.

The Lions club of Hastings can donate to so many local worthy causes because of your generosity and offer help both nationally and Internationally in times of real need. Last year the Lions Club of Hastings donated £23,764.00 to local deserving causes including donations to the floods appeal in both Doncaster and Japan.

This event would not be possible without the continued support of all our Sponsors, Hastings Borough Council, Area Marshals, Stewards, Computer operators, the scouts and many other unpaid volunteers and our grateful thanks goes out to them all.

Finally, I wish all participants the very best of luck and hope you achieve whatever goal you have set for yourselves. To all the marshals a very big thank you. To all spectators I hope the weather makes for an enjoyable time and please cheer on all the runners.

## From The Mayor

### Welcome to the 36th Hastings Half Marathon

For the second year I have the pleasure of setting you off and seeing most of you return. It is good to see the front runners return, but even better to see the club runners and those that are doing a Marathon for the first time return, or those who entered for a charity or cause they support arrive even if at the finish. I hope to still be at the Finish with your Gold [coloured] Medal. You all deserve them and I'm happy to give them out as you finish, even if you take a while. If you arrive at the back please remember that you did a good thing for a good reason and if I had taken part I would be there with you.

Along with the committee I wish you a successful Hastings Half Marathon and hope that you finish in a best time for you. All the donations you give or make go to charities that help many and may help each and every one of us.

**Councillor Nigel Colin Sinden.**

# Message from Race Director 2020

Dear Friends,

Welcome to the 36<sup>th</sup> Hastings Half Marathon, which we trust will be good for all entrants and needy causes.

It never ceases to amaze me how many dedicated entrants and supporters we have, from re-entering each year, to marshalling the same position for 36 years! This is what give 'Hastings Half' its heart and knowing that ALL monies raised from the event go to needy causes.

**Eric, Val and Princess Anne**

The event has changed over the years, from when we had the Top British and International Athletes competing at Hastings, to the situation now that so many commercial events pay such big money for Athletes that we cannot as a Charity Event compete with them.

We have never paid appearance money, and try to see as much money go to those in need. The Prize Money at Hastings is sponsored by Hastings Direct, for which we are most grateful and therefore enables the maximum monies to go to Charity. We will never use Charity money as prizes or inducements. We would still like to see the 1993 Female record of 1.11.13 beaten and Hastings Premier Chauffeurs are still offering a bonus of £1000 to beat this time.

A big welcome this year to a new sponsor TITANIUM SECURITY, as we indeed thank all our valued sponsors and suppliers.

We are especially pleased to see our friends from Holland and Belgium returning every year and trust that Brexit will not affect them for the future. They are still our very best friends.

Each year does not get easier, as the requirements from authorities grow accordingly, but we endeavour to still put on an event we and Hastings, can be very proud of and see an average figure of £200,000 raised each year. It gives the ability for ALL Charities and needy causes to use the event as a springboard to raise monies.

We look forward to seeing our new PACERS for the first time at Hastings and hope that many of you will be able to use them for your own benefit. A Big thank you to the volunteer pacers and I am sure you will thank them yourselves at the end.

May you all achieve your goals and look forward to seeing you next year on Sunday 21<sup>st</sup> March 2021.

# Hastings Brass Award for Hastings Half 2020

Without question, one of the most popular changes we made in our thirty six years, was to change from a medal to a brass award for each finisher.

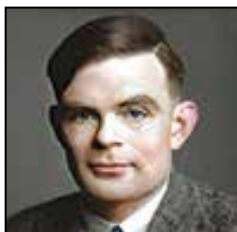

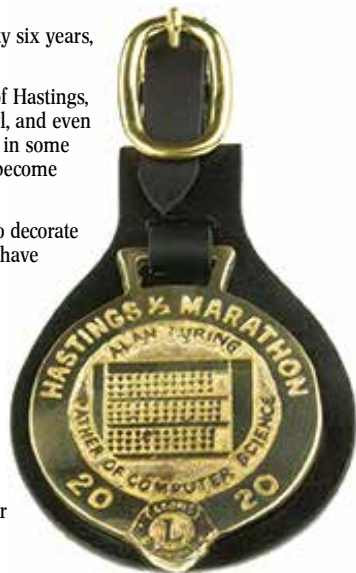

These unique brasses, which every year have featured different aspects of Hastings, from 1066 through to such famous people as John Logie Baird, Grey Owl, and even our own 'Banksy' (still able to see on the St. Leonards promenade), have in some cases to be so well sort after as to be sold on Ebay. They have certainly become collector's items in their own right.

These fine English horse brasses have been made since the Middle Ages to decorate horse harnesses. Since the time of Queen Victoria, many different designs have been made, but the Hastings brass each year remains a unique award.

Alan Turing spent some of his childhood in Hastings, lived in Upper Maze Hill, where there is a Blue Plaque, he attended his first school at St. Michael's Day School. His headmaster recorded his talent early on, as did subsequent teachers.

The Principle of Modern Computers was proposed by Alan Turing in his seminal 1936 paper on computable numbers.

He was The Father of Modern Computer science and his BOMBE was the name of an electro mechanical machine developed during World War Two by Alan Turing, whilst working as a codebreaker at Bletchley Park and was famous for breaking the German Enigma Codes.

**Alan Mathison Turing**  
O.B.E. FRS.

It is estimated that his BOMBE Device shortened the War by two to four years and saved millions of lives. He has been featured recently in the blockbuster Film 'The Imitation Game' and on Fifty Pound notes. We proudly acknowledge him on this year's Hastings Brass.

The brass above is set upon a Leather Martingale, and is a great way to display your brass. The Martingales can be purchased from Race Centre, or 'online' at [www.hastings-half.co.uk](http://www.hastings-half.co.uk) and there are options to have singles or doubles, or Martingales that will hold four, six or eight brasses. You can also have a tab added to the back of your brass, with your race details. Go to [www.mysportingtimes.com](http://www.mysportingtimes.com) to book them.

We trust that you will appreciate and enjoy our Hastings Brass for 2020.

It's a real honour to be asked to pace at the Hastings half marathon. If my memory serves me well, I think this will be the fourteenth time that I will have taken on the challenging route. Being from Hastings, I am obviously biased, but I think this is one of the greatest half marathons in the UK and I am always amazed by the amount of people who come out to watch the race and to cheer everybody on. The encouragement is always welcome!

The Hastings half marathon is quite a tough one to pace because there are one or two hills on the course! But whatever goes up, must come down and if we lose a little bit of time on the uphill sections, we'll gain that back on the downhill stretches of the route. It will be my privilege to be the 1 hour 40 minute pacemaker and I'm looking forward to meeting new runners, getting to know them and hopefully we'll have some new, personal bests on the day as well. There will be lots of encouragement, a team ethic and most importantly, a lot of fun and I can't wait to meet everyone on the day. Good luck with the final weeks of your training.

## WHERE THERE'S NEED THERE IS A LION

### What do we do?

Broadly speaking, we raise money and give it away to good causes as well as running events and assisting other charitable and civic organisations with theirs.

Our biggest fund raiser is the annual Half Marathon but we do other things as well; an annual Golf Day and store collections for Surviving Christmas amongst others.

### Who benefits?

Most of the money we raise is spent in Hastings and St Leonards. Come along to one of our meetings and see for yourself.

### What is the commitment?

Two meetings each month.

A 2 hour business meeting, which we would expect you to attend whenever possible, and a dinner meeting which is not compulsory. And as much free time as you can spare, but family must come first.

### What's in it for you?

Meet new people, make new friends. Help others and gain fun and satisfaction whilst giving something back to your community.

### What will it cost?

Approximately £1.50 per week.

### Why not join us?

We meet on 2nd Tuesday in the month, at White Rock Hotel, at 8pm.

Working with other like-minded people and Lions clubs throughout the South East (and beyond) can be great fun and very rewarding.

In all, about £50,000 is donated annually, most of which is spent locally.

## Andy Knight Race Commentator

We are delighted to have each year a fantastic race commentator in Andy Knight.

We thought you would like to see what the man behind the voice looked like!

Andy is a very experienced commentator and radio presenter, who works a lot for More Radio.

But besides this he is a valued member of Hastings Runners, and a regular volunteer at Hastings Park Run. A good runner in his own right, he has the ability to identify with runners from his own experience. He has run Hastings Half many times.

He tries, with help, to name as many finishers as possible as they go over the finish line, and I am sure you will agree he does an incredible job.

We are very fortunate indeed to have someone with his class and knowledge, who sounds great on The PA system.

Thank you Andy.

Eric Hardwick M.B.E. Race Director.
