## **Know Your Parish Councillors**

### **Cllr. Neil Cass**

Newly appointed in November 2021 I would like to introduce myself.

I have lived in Healing since August 2000 but have been associated with the village for a lot longer.

Having been a player and manager of one of the village men's football teams for many years.

Since leaving school I have worked in the seafood industry and through hard work and many long hours learning from successful business owners, I now have the position of Operations Manager.

When asked if I would be willing to attend a couple of council meeting to see what went on, I must admit I didn't have a clue what the Parish council did.

I'm slowly starting to understand what is required and hopefully as time goes by, may be able to contribute more.

It's important to look after our village and listen to any concerns the residents may have no matter how big or small.

As the village grows, it is important that the village council is supported.

When I'm not working, my hobbies are walking my dogs. A growing interest in antiques, and still follow the football.

But my biggest interest is road cycling, something that I've got back into at the start of the covid lockdown.

I'm looking forward to being part of the Parish Council.

Neil Cass

HEALING PARISH COUNCIL NOTES FOR  
MARCH 2022

E mail: [healingparishcouncil@outlook.com](mailto:healingparishcouncil@outlook.com)

The Council meeting for February held in the existing Village Hall and saw members of the public attending to raise issues and also observe for interest. It is hoped to hold the March meeting in the new Village Hall meeting room, even though the Hall won't be open officially to hirers at that point.

**Highways and Footpaths**

A quarterly highways meeting with the Parish Council and NELC will be held in the next month or so—four meetings a year are usually held.

**Planning Applications**

The planning applications considered at the meeting for February were as follows:

**Planning Application Reference: DM/1196/21/FUL**

**Proposal: Erect one dwelling with associated landscaping, boundary treatments and car parking bay (Amended Plans received 4th January 2022)**

**Location: Land At Orchard Fields Healing**

*Objections – the Parish Council objected to this development pre-amendment and would reiterate its objections to the proposal. The amendments do not impact upon the view that this dwelling is not appropriate at this location and represents overintensification of this site. The property is being shoe-horned into a small space which would be better left as general amenity space to improve the residential aspects of the site. Another property is unacceptable at this location.*

*Parish council notes continued.....*

**Planning Application Reference: DM/1211/21/FUL Proposal: Erect 8 dwellings to include garages, landscaping and access**

**Location: Land At Buddleia Close Healing**

*Objections – whilst the Parish Council recognises that development will take place on this site, and has no objections to that in principle, it does support several neighbour's concerns with regard to the proposed landscaping which threatens to overshadow neighbouring gardens and dwellings. The members also had concerns on possible intrusion from the proposed balcony on the larger end dwelling. The Parish Council would ask for amended plans to be submitted addressing the landscaping issues.*

**Police Matters**

The Parish Council continues to receive its monthly police report, which is published in the News each month. The Members were slightly alarmed at the increase in the number of incidents and so has asked a member of the policing team to be present at the next meeting in March if possible.

**Village Hall Project**

The build is now complete apart from minor snagging works and the completion of a footpath to the door, which are all in the process of being completed. Security measures are then being fitted at the building and then flooring will also be completed. The Council needs to vacate the existing building by the end of March 2022 and it seems that this will be the moving date to move all the hirers over. An official opening event is still being planned. All current hirers have been kept apprised of progress and many have visited the Hall to look round.

**Parks and other sites**

The new play equipment for Fords Avenue Park should be installed by the time this Newsletter is delivered. Many thanks to Your Place for donating the equipment to us and to Hodson and Kauss for organising its relocation for us.

## Finance

As previously reported in the December/January edition, the budget and pre-cept requirement have been set and these were published in full in that edition of the Newsletter.

### PARISH COUNCIL VACANCIES

The Parish Council still has a couple of casual vacancies and any resident interested in getting involved is welcome to come along to a Council meeting to observe and see what the Council actually does and what it gets involved in, both independently and in liaison with NELC.

If anyone would like an informal chat on perhaps putting themselves forward for the Council, then do please speak to either an existing member or ring the Clerk, Kathy, on 07494 577661 for an informal chat.

The main commitment to make is to be able to attend meetings of the Council which are held on the second calendar Tuesday of each month. There are other meetings to become involved in as each individual member wishes but the main commitment is the main Council meeting each month.

The eligibility criteria is mainly that you should be over 18, live in the Village and have done so for more than a year, or have your primary place of work within the Village or live within 3 miles of the centre of the Village.

### Time to get walking again!

At this time of year we start to think about the mud drying up and getting out to walk in the beautiful English Countryside again, but where to find new and interesting walks?

Walking in Lincolnshire <https://www.walkinginengland.co.uk/lincs> has hundreds of walks to download and print, free, it also has books of walks, details of all the walking groups in the county and much more. Whether you want to walk on your own or with a group all the information is there in one place.

John Harris (the custodian of the website) said 'There is so much walking information on the web but it is difficult to find. Walking in Lincolnshire (part of the Walking in England website) has brought it together in one place so whether you are walking from home, or away on holiday, you will be able to find a walk suitable for you'.

With walks from half a mile to twelve miles plus long, and a note of suitability for pushchairs and wheelchairs, everyone can find a walk to enjoy.

So home or away, check out the websites and get walking!

## POLICE REPORT

### Wolds Ward Healing Update February 2022

#### Crime

There were twenty seven reported crimes across the Wolds Ward during January, of which thirteen have occurred in Healing.

There have been four reports of cars being entered. Overnight 14<sup>th</sup> & 15<sup>th</sup> January a car parked on Clematis Avenue was entered. Despite being searched, nothing was stolen.

During the early hours of 15<sup>th</sup> January property was stolen from an insecure vehicle parked on Bluebell Court.

Between 14<sup>th</sup> & 17<sup>th</sup> February a secure car parked on Wisteria Drive was entered by unknown means. Property was stolen.

During the early hours of 16<sup>th</sup> January, another car parked on Bluebell Court was entered. CDs were amongst the property stolen.

During the afternoon of 30<sup>th</sup> January eggs were thrown at windows and through the letterbox of a property on Larkspur Avenue.

Damage was caused at a factory on EuroParc by a known employee.

Other offences include:

A runner was bitten on his leg and hand by a Jack Russell dog on Marsh Lane on the afternoon of 26<sup>th</sup> January.

One minor public order offence.

One report of stalking (as previously reported).

Two reports of sending malicious communications.

Into February, there have been seven crimes reported so far (8<sup>th</sup> Jan) in the Wolds Ward. Two assaults and sending inappropriate images over mobile phones.

There have been two reports of ASB.

Youths causing issues in the grounds of the British Legion Club.

One neighbour dispute.

### HEALING BOWLS CLUB

#### POPLAR ROAD BOWLING GREEN, HEALING

Healing Bowls Club members are hoping to return to bowling at the end of April/beginning of May after an absence of several months due to the rebuilding of the bowls pavilion to create the new Village Hall.

The Bowls Club members take part in several local league and club competitions and we would welcome anyone (beginners or experienced players) who would like to become a member of the club. If you are interested in joining the club please come to our pre-season meeting at **7pm on Wednesday 23<sup>rd</sup> March 2022 at the Village Hall.**

We also have a friendly "roll-up" every Wednesday morning from 10 am to 12 noon for those who either want to gain a bit more experience or who are not interested in playing competitively but just want to have some exercise and fun. The roll up is open to everyone – you do not have to be a member of the club - so if you are interested just turn up at the green at **9.45 a.m. on any Wednesday morning commencing on Wednesday 27<sup>th</sup> April 2022.** We can provide some bowls and tuition but please wear flat, smooth soled shoes.

We are also planning to hold an **Open Day on Saturday 30<sup>th</sup> April 2022 from 10am to 12 noon - weather permitting, (or Saturday 7<sup>th</sup> May 2022 in case of poor weather),** so that anyone who is interested in learning to play bowls, or improve their bowling skills, can come along and have a go to see if they would like to join us. We can provide the bowls for you to use on the morning and you do not need any special equipment other than flat, smooth soled shoes. If any of these arrangements change we will advise in the next edition of Healing News.

If you require any further information or assistance, please contact Roy Lincoln (Tel 882325 ) or Sylvia Hoyland (Tel 507704) .

We look forward to welcoming old and new members soon.

## Village Walk

You are invited to join us on a local footpath walk on Sunday March 13th at 2 pm. We will meet at Healing Methodist Church car park for a walk of about 3-4 miles.

Spring is with us so all welcome to join us.

Please contact Peter Ede 01472 883625 for further information

## **New service launched to help connect residents to the services they need**

A new service has launched to help North East Lincolnshire residents find the services they need.

'ConnectNEL' is a helpful and friendly 24 hours a day, 7 days a week signposting service run by the team at Centre4 on Wootton Road. It is a single point of access to help the community to find support, information, and guidance from voluntary and community organisations on a wide range of topics including benefits, debt advice, employment, healthy living, and social activities. Call 01472 403403.

A supporting online directory of local services and activities is available at <https://nelincs.simplyconnect.uk/>

HOWZAT

for a New Generation

With over 120 participants since 2019, and a number now representing local clubs, the **ALL STARS** programme (5-8 years) and the new **DYNAMOS** programme (8-12 years) is focussed on softball cricket games to help develop a love for the sport, and talent for the future around the villages. With a fantastic group of volunteers alongside ECB accredited coaches, one of whom was recently awarded Coach of the Year, the focus is fun in a safe environment whilst developing confidence, skills, fitness and teamwork. We have been lucky enough to receive some additional funding for equipment, so everything is provided at minimal cost to ensure everyone can participate.

**Healing Community Junior Cricket Club** has rapidly grown over the last few years from where Tim, Steve and Chris all saw the urgent need for youngsters to be brought into the game for its future. With declining participation of local cricket, schools reducing facilities/teams and a heavy focus towards other sports despite the success of the England Men's and Women's cricket teams in the World Cups recently it was important to change this. Just a handful of clubs in the area support junior development and with Healing children showing such interest, developing a more local offering seemed a great idea.

Sessions run from around Easter to the end of the summer usually and this year training has even continued indoors throughout the winter. All children from ages 5-12 are welcome to participate in the sessions, whatever their ability and with almost half of all participants now female this really has become a sport for everyone. As a result of the success and enthusiasm of the children, **Healing Hawks** have entered a Grimsby League Under 11 mixed team this year, the first new junior team for quite some time. In addition, there will be many softball cricket matches and mini festivals throughout the season ensuring that all participants get plenty of opportunity to play cricket this year.

So why not have a look at the activities we run, get your children signed up and involved, and consider volunteering to help run sessions where no experience of cricket is necessary, and any training needed will be provided if required.

### Invitation to Quote for Grounds Maintenance Works

Quotations are invited for the following works. Please ensure quotations show prices for the individual sections of work as per the schedule shown.

#### Poplar Road Park

- Weekly emptying of bins on the park and removal of waste
- Cutting of grass inside the playground area – once weekly from May to September; once monthly from October to April each year.
- Cutting grass on bowling green – twice weekly from April to October with cuts taking place around the bowling club's match schedule, scarifying twice per year as agreed with Parish Clerk and organising out of season treatments with Parish Clerk. A specialist mower is provided by the Parish Council for the green cutting.
- Organising servicing and any necessary repairs for the bowling green mower as required and agreed with the Parish Clerk.

#### Quantock Gardens

- Cutting of grass on small verge area – once weekly from May to September; once monthly from October to April each year.

#### Cornflower Copse

- Twice yearly clearance, strimming, tidying of dyke at Copse and cutting back of hedge along the footpath to keep footpath clear.

#### Chapel Footpath Hedge

- Cutting hedge along entire length and tidying as required twice per year upon instruction/agreement with Parish Clerk at times appropriate for hedges to be cut.

## HEALING GARDEN CLUB

At our recent AGM we heard that we have an enjoyable year ahead with speakers and visits planned.

Please note that we will be meeting from April at the New Village Hall, Poplar Rd, Healing on the 1<sup>st</sup> Tuesday of each month @ 7.30pm, however our March meeting will be held in the old Village Hall on Great Coates Rd as the New Hall will not be quite complete. Could members and visitors not arrive before 7.25 as any earlier it may be difficult to park as the earlier hirers will not have exited the car park.

Tuesday 1<sup>st</sup> March @ 7.30pm Old Village Hall

We are delighted to be able to welcome Dave Wright who will tell us how to identify the differences between butterflies and moths and how to encourage more of them into our gardens and the countryside around us. Dave is a leading member of the RSPB and Lincolnshire Wildlife Trust and travels the world in his work in the preservation of these beautiful creatures.

"If a butterfly flutters its wings in the Amazon rainforest it can change the weather half a world away!"

Tuesday 5<sup>th</sup> April @ 7.30pm New Village Hall

Finally the Spring Flower Show is back !

Enclosed in this News is the schedule for the classes in the show, the club will provide the containers for the exhibits, so all you need are your Spring flowers.

New members are always very welcome, the cost of membership is £5.00 which mostly covers all 12 meetings. We do try, on a yearly basis, to organise a bus trip to the RHS Harlow Carr gardens, to which as members of the RHS we have free entry.

For further details call 01472887966.

## **It's good to talk and be heard**

NELC is holding some 'listening' events which it is encouraging residents to attend. Cabinet Members from NELC will be present and these events are an opportunity for residents to raise issues directly.

These are drop-in sessions and no appointments are necessary.

### **The next sessions are as follows:**

**Grimsby Town Hall between 5pm and 7pm on Monday, 7 March.**

**Immingham Civic Centre between 5.30pm and 7.30pm on Thursday, 10 March.**

Council Leader, Philip Jackson, said he and Cabinet colleagues were looking forward to hearing more about issues facing communities where they live.

"This was something we pledged to do when we were elected back in 2019. We managed to hold some before COVID-19 called a halt to all face-to-face contact and so we are really pleased to be able to bring them back," he said.

He recalled how, after the first successful sessions, issues were raised that have now been dealt with such as cleaning up the River Freshney and being a key part of resolving the closure of the Suggitt's Lane crossing, with a new footbridge opening shortly.

"As with the first sessions, this won't be any sort of decision-making forum, but we're keen to make sure we're accessible to the public and we hope people will take the opportunity to come and discuss some of the key things either already going on or planned for the area."

Cllr Jackson also emphasised the events would not replace or impact on ward surgeries currently held by councillors from across all the area's political parties.

## **View from the Pew**

Where would we be without words? They are essential for meaningful everyday living! Some people find crosswords enrich their daily lives, or word games like wordle or scrabble. I have a friend who has had to move into a care home due to poor health, and when she was telling me about it, the highlight was that she had beaten the resident expert at scrabble and was now queen of the home as far as scrabble was concerned!

In this month of March the word Lent is part of the life. The meaning is quite different from the ordinary verb to lend, which means that the use of something is given to someone on the understanding that it will be given back. Lent with a capital originates in an old English word, Lenten, which means spring. Lent is marked by the church during the six weeks before Easter. It commemorates the time Jesus spent in the desert working out how God wanted Him to conduct His ministry of love. Easter marks the death and resurrection of Jesus - the word Easter is thought to originate from the goddess Eastre, who was associated with spring.

So Christians in Lent are invited to spend time in tune with the time Jesus spent in the desert, praying and fasting, working out God's will for His ministry. I was interested to read that the practice of mirroring Jesus's time of deliberation and fasting only began in the ninth century. I wonder how many people nowadays actually take the challenge seriously? The joke about giving up chocolate for Lent seems to be more in tune with the reality nowadays!

So maybe during the weeks before Easter we can pause in our busy and covid-confusing lives to consider what the life, death and resurrection of Jesus Christ can mean for us in our inward being. It is the key to the integral inward spiritual part of us, which our faith teaches survives death, just as Jesus did on Easter Day.

Elizabeth Ede

## Healing Citizenship Award

**2022/23**

The Parish Council is once again inviting nominations for this prestigious award which comes with the presentation of the Keith Walton Trophy.

Nominations should be made in support of either individuals or groups, couples etc. who you feel have made a significant contribution to the life of the Village.

That contribution can be seen through voluntary work, sporting achievement, supporting village groups or just being an active citizenship who contributes in some way to enhance the life of Healing Village.

If you know an individual or a team or group of people you would like to nominate for the award, email or write in and let us know.

Emails should be sent to:

healingparishcouncil@outlook.com or you can write in to Healing Parish Council, 1 Beach View Court, Norfolk Lane, Cleethorpes DN35 8BT

**Nominations should be submitted by the closing date of Friday 8th April 2022 and all received will be acknowledged.**

## New Village Hall Project Update

The new village hall has now had all the building works completed and we are just waiting for the flooring to be laid in line with the necessary safety requirements.

Other works being carried out whilst we wait for the flooring have included fitting cabinet locks in the kitchen for various village groups who use the Hall on a regular basis, sorting out storage with existing Hall users, fitting a baby change station, ordering blinds for the large windows, doors to the hatch from the kitchen into the main hall and doing some tidying up of boxing in etc.

There has also been a new field gate and pedestrian gate fitted up at the Park as the old gates and posts were rotten, and a new path has now been laid to meet the ramp put in by the building contractors. The ramp and path etc. were required by building control. Edging to the path and a safety balustrade at the entrance to the Hall have now also been fitted.

There will be further works to the outside of the project, with the land where it has been disturbed by building works, being cultivated and then when its slightly warmer, there will be new grass sown.

The Council will be moving out of the old Hall by the end of March and most of our existing hirers have now been and visited the new facility and are thrilled with the result. An official open event will be held to allow residents to come up and have a look around.
