# TITLE SPONSOR'S WELCOME

## **Welcome to the Barefoot Retreats Burnham Market International Horse Trials.**

We're excited to be back as the Title Sponsors of Burnham Market International Horse Trials for 2023!

At Barefoot Retreats we offer luxury self-catering cottages along the North Norfolk coast and provide a distinct laidback luxury experience, ensuring our guests feel at home from the moment they arrive. Guests will receive the keys to some of the most stunning and individual homes in the area, as well as having access to our exclusive concierge service, allowing our team to tailor their stay down to the finest of details.

We're incredibly privileged to now have over 120 properties on our portfolio and we've been working hard to ensure the portfolio remains ever-expanding, each property offering something a little different, from cosy cottages close to the beach to fabulously large houses accommodating all of the family and more.

We are proud to support a local event that is such a fantastic day out for all the family. Alec and his team do a superb job organising it all and there's always such a variety of trade stands. It's also a chance for us to watch some of the best competitors in the sport at the top of their game so early into the Eventing season, not really a bad day in the office!

We'll be on site for the three days of competition, along with our Gin Bar, The Juniper Box. Please do come and see us if you're looking to holiday in the area, have a holiday home you'd like to maximise the potential from, or just want to talk about Norfolk and the horse trials, all with a gin in hand – we'd love to see you.

We hope you all have a fantastic time!

# CHAIRMAN'S WELCOME

The Organising committee and I would like to welcome all competitors, owners, helpers, spectators, volunteers and sponsors to our 45th British Eventing Horse Trials; my son-in-law, Alec Lochore, ran his first event here back in 1999. We are incredibly pleased to again welcome Barefoot Retreats as our title sponsor - through their support we have been able to continue the growth of this fantastic event.

It is an enormous credit to all those involved with the horse trials that we continue to attract many of the world's leading riders with their top horses to Burnham Market, and hope all those who have made the effort to come from the far parts of the country have an educational and enjoyable time.

After visiting the various shopping outlets you should walk up the hill to the spectators mound on the cross country course, from where you can see many of the interesting fences and even get a glimpse of the sea!

Finally, I must thank all our generous sponsors, who help us provide the best possible facilities for the competitors, and the army of volunteers who give up their time, without whom these three days simply could not happen.

Jeremy Thompson

The advertisement features a yellow header with the British Royal Coat of Arms on the left and right, and the 'BEDMAX' logo in the center. Below the header is a dark green banner with the text 'MAKING BEDDING BETTER'. The main image shows a brown horse in a stable with a person attending to its legs. To the right of the horse is a bag of 'BEDMAX FAMOUSLY CLEAN LARGE PINE SHAVINGS'. At the bottom, there is a smaller bag of 'STRAWMAX STRAW PELLET BEDDING FOR HORSES', the website 'bedmaxshavings.com', social media icons for Twitter, Instagram, and Facebook, the phone number '01668 213467', and a QR code.

# SIX TO WATCH AT BAREFOOT RETREATS

**WITH** his extraordinary track record at this event (winning the 4\*S 15 times in the last 15 years) it's impossible not to include at least one of Oliver Townend's rides.

Swallow Springs

We have picked **Swallow Springs** over his Tokyo gold medal winner Ballaghmor Class. Owned by Paul and Diana Ridgeon, the 15-year-old Irish Sport Horse is by Chillout. With Andrew Nicholson he was 3rd at Burghley and 5th at Badminton. Last year, ridden by Oliver, he finished 3rd at Badminton and won the 4\*S here.

**Capels Hollow Drift** is a 12-year-old Irish Sport Horse by Shannondale Sarco, owned by Patricia Davenport, Milly Simmie and Sarah Webb. He has been ridden by Tom Jackson since 2018, when they won the silver medal in the 7-year-old World Championships. They tackled their first Badminton last year, finishing 16th, wrapping up the season with the runners-up prize at Burghley. Tom is a former British Junior and Young Rider team member and medallist.

Cooley For Sure

Capels Hollow Drift

The reigning British U25 National Champions, Greta Mason and **Cooley For Sure** are heading to their first Badminton next month. The 16-year-old Irish Sport Horse is by Ramiro B, and is owned by Sarah Winfrey. The pair completed its first 5\* last autumn, placing 14th at Pau, and has also represented Great Britain on a winning Nations Cup team. Greta's twin brother, Silas, took 'Murphy' up to novice before his sister took over the reins.

**Billy  
Walk On**

**Billy Walk On** has been a regular visitor to Burnham Market for several years, finishing 2nd in the Advanced last year with Pippa Funnell – who has strong Norfolk ties through legendary trainer Ruth McMullen. Owned by Barbara and Nicholas Walkinshaw, the 14-year-old was bred by Donal Barnwell and is by Billy Mexico, registered with the Anglo European Studbook. Last year he and Pippa placed 3rd at the British Open Championships and then 8th at Burghley.

**London  
52**

Reigning Badminton champion and Tokyo team gold medallist **London 52** is a 14-year-old German-bred by Landos, owned by Keith Scott, Karen Bartlett and his rider, Laura Collett. The pair finished 9th individually in Tokyo. 'Dan' has been produced up the grades by Laura, won the 8/9-year-old championship at Blenheim in 2018 and the 4\*L at Boekelo the following year. His first 5\* win came at Pau in 2020.

**Monkeying  
Around**

**Monkeying Around** has been known to live up to his name, but is a prodigious talent and last summer won the 4\*L at Bramham. He represented Great Britain at the 2021 European Championships with his jockey Izzy Taylor and is a past winner of the 6-year-old World Championships and a 4\*L at Burnham Market. He is a 12-year-old Hannoverian by Bertoli W, owned by British Eventing Chair Mark Sartori and Izzy.

## IN FOCUS: ALICE CASBURN

Norfolk-born Alice Casburn is undoubtedly a rising star in the world of eventing. She started affiliated eventing at the age of 14 and three years later was representing Britain at the Junior European Championships riding Topspin (aka 'Spin'), finishing 16th. It wasn't all plain sailing and their partnership took time to develop; he threw her off at the first fence on their international debut.

In 2021, after successful runs at CCI4\*S level, Alice and Spin headed north to Blair Castle for the CCI4\*L. Alice was attracted by the challenging terrain of the Scottish Highlands which she thought would suit Spin. The pair finished second having jumped double clear.

This encouraged Alice to enter Pau, her first CCI5\*. It was a great debut, with Spin adding just cross country time penalties to his dressage score, finishing 19th.

If 2021 had exceeded expectations, 2022 was even better. Badminton beckoned, resulting in another 19th place completion. At the Young Rider European Championships a couple of months later the pair took individual bronze and were part of the gold medal winning team. Burghley was the last challenge of the season. Another fantastic performance left them fifth on the final leaderboard.

Alice has eventing in her blood – her mother Caroline represented Great Britain at the 1994 World Equestrian Games. Caroline evented Spin's grandmother, Spangle, to advanced level, before breeding his dam, Capriati. Spin, a home-bred by Zento, has a good showjumping track record and has even won a puissance.

Now 21-years-old Alice was brought up a member of the North Norfolk branch of the Pony Club and remains based at home, between Norwich and Holt, where she can benefit from her mother's vast experience. She earns her keep by teaching, which she loves, running the livery yard and taking in horses for backing and schooling.

Spin is currently Alice's only top level horse but he has given her a once-in-a-lifetime opportunity which she has grabbed with both hands. She has several promising younger rides to bring on and is working hard on getting her name known, already catching the eye of sponsors and potential new owners.
