

NEWPORT NEWS

A fortnightly update from NGHS

Volume 7 - Issue 5 - Friday 10 November 2023

I hope that all of our NGHS families had a lovely half term break last week and students were able to enjoy some downtime. Mr Scott has been away from school for the past couple of days leading an Ofsted inspection in another school hence my introduction for Newport News this week.

We have started the new half term with a busy week. I had the pleasure of joining Year 11 on the Geography fieldtrip to Carding Mill Valley on Tuesday. With wellies and walking boots on, students worked hard to collect their data on the changes observed to the river's width, depth, and velocity. Mrs Taylor also had a bit of additional exercise when she had to run up to the first site at the end of the day because of a lost walking boot!

Our Head Girl Teams have also been hard at work on the plans for anti-bullying week which starts on Monday. All students are encouraged to wear odd socks with their school uniform on Monday as part of this week's activities. We hope that all students will get involved to support the Anti-Bullying Alliance in reminding everyone that we can bring an end to bullying.

Thursday evening saw us welcome our Year 7 parents into school to meet their child's form tutor. Form tutors play a crucial role in our pastoral care within school as they see their form each day and are therefore an important point of contact for parents during their child's time at NGHS. Thank you to those of you that were able to attend and we hope you found the evening helpful.

This morning at 11am, we remembered those who tragically lost their lives in World War I and also other conflicts. We feel it is very important to not only take two minutes to reflect on the losses in WWI, but of course the current worldwide conflicts. We have talked to our students about the need to maintain peace and integrity in our interactions with each other. We also know some NGHS families have family members who are affected by these conflicts.

Today marks our annual Prizegiving Afternoon where we celebrate student achievements during the previous academic year. We would like to say a huge well done to all students that were successful in receiving a prize; they should be extremely proud of themselves.

Finally, [you can view a letter here](#) from the Statutory Director of Public Health regarding vaping that schools have been asked to share with parents. This week's NN also focuses on our PE and PSHE Faculty!

We hope you all have a restful weekend and we would like to wish a 'Happy Diwali' to all our families who are marking this celebration.

Miss S Webster, Deputy Headteacher

We would like to take this opportunity to launch our annual collection for the Telford Christmas Smile appeal. Please see the relevant details below.

Please donate;

- Brand new gifts for young people aged 0-17 years
- Brand new gifts for adults and elderly people
- Seasonal sweet treats

Please drop you items into reception by Thursday 30th November.

NGHS is once again delighted to support Telford Christmas Smile (now for the fourth year running). Please consider purchasing a Christmas gift for someone in need and bring it to Reception. Thank you in advance for your support. Mr Scott/Mr Pointon.

Head Girl Team Highlights...

We've launched straight back into things in this first week after half-term! With many students greeted by assessments upon their return, it's safe to say that we haven't exactly eased ourselves in after the week's break - and we wouldn't have it any other way (although I think I speak for the entirety of Year 13 when I say that the Christmas holidays can't come soon enough!)

House music preparations have resumed and I'm sure that the excitable buzz around school is motivation enough for the Music Captains to continue working so hard to get everything ready.

Student committees and councils will meet next week, so make sure to attend those and let your Form representatives know if there's anything you'd like bringing up. It's an amazing opportunity for student involvement, so make sure to utilise this avenue to have your voice heard!

I hope you have a lovely weekend! **Braeagh**

On Tuesday 7th September, Year 11 Geographers carried out fieldwork by visiting Carding Mill Valley to determine whether the river followed the Bradshaw Model as it flowed downstream. Once we arrived at Carding Mill Valley, we set off on a short hike uphill to our first site, which was where two tributaries joined the river. Wellies were put on as people got in the river ready to measure data such as the channel depth, channel width and the size of rocks. As you looked around each group, you could see many struggling to catch the dog biscuits as they flowed downstream making calculating the velocity of the river quite difficult. As more groups finished the first data collection, we moved downstream to the middle course to do it all over again, losing even more dog biscuits in the process! From debating over how round or angular the rocks were to chasing dog biscuits down the river, data collection for the morning came to an end. After lunch, we walked down to the lower course of the river and did our final two sites at a quicker pace with more people getting in the river before returning back to school.

Emily R, Year 11

GREEN CAREERS WEEK

6-11 November 2023 is Green Careers Week, providing students with an insight into careers that specifically protect the environment and will help the UK achieve its pledge of reaching Net Zero by 2050. Young people want to be involved in finding solutions to our environmental challenges, so it's vital that we provide opportunities to show them how they can play an active role within the world of work.

There is a free guide for parents, giving plenty of talking points about routes to green careers after GCSE and sixth form. Please visit [click on the image on the right to download your copy.](#)

FEBSoC

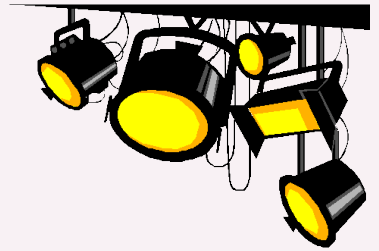

A new exciting society is starting at NGHS! FEBSoC (finance, economics and business society) is starting for years 11-13. So, if you're an aspiring entrepreneur, future banker or just interested in current affairs, come and join us at 1pm in room 101 every Tuesday. Also, if any parents or family members who work in this sector are interested in doing a talk and sharing their expertise (either in person or via Teams), please contact Mrs Griffin via schooloffice@nghs.org.uk.

We hope to see you all there!

Lottie S and Isabella H (Yr12)

FACULTY SPOTLIGHT

PE & PSHE Faculty

Last half term, Year 8, 9 and 10 completed a dance unit in their PE lessons. Each year group had three lessons of teacher taught dance before being split into their houses and nominating their dance captains. They then had three lessons to choreograph a dance routine which they would then perform to the rest of the class on their final performance lesson.

- ⇒ Year 8 focused on three different genres of dance such as the Charleston, Disco and Rock and Roll.
- ⇒ Year 9 focused on musicals and were taught a dance routine to 'The Greatest Showman' – 'Come Alive'.
- ⇒ Year 10 focused on street and contemporary.

The standard across each year group was high and every group worked incredibly hard, making very difficult to judge the dances. The atmosphere and support from the other groups whilst they were performing was phenomenal. Watching all the dance in the last week of half term was a brilliant end to a great unit of dance! The long-awaited results can be seen on the right:

Year	First	Second	Third
Year 8	Austen	Roddam	Seacole
Year 9	Austen & Roddam	Seacole	—
Year 10	Seacole	Austen	Roddam

U13s play at Thomas Telford

On Monday 16 October our U13 football team headed over to Thomas Telford to take part in round 2 of the ESFA tournament. The girls were all on a high after beating Selly Oak in Birmingham 11-0 the previous week. As the first half kicked off both teams were evenly matched and the girls played some excellent football. NGHS supported one another on the pitch and their communication was excellent. The midfielders linked well with Izzy who was up top and we played some great attacking football.

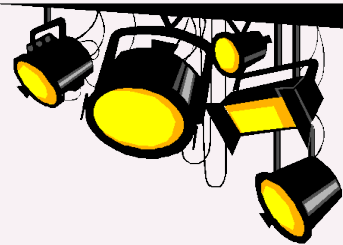

Unfortunately, it was Thomas Telford who found the goal first and took a 1-0 lead. Again, as both teams were trying to score Esmae, Jess and Megan worked hard in defence to keep Thomas Telford from scoring again. Just before half time Thomas Telford managed to score again to finish the half 2-0 to Thomas Telford. During the half time talk NGHS knew they had opportunities and they knew they were still in the game. As the second half kicked off NGHS was playing the better football and Molly, Eve, Isla, Olivia and Izzy played some great attacking football. 10 minutes into the second half

Molly made an excellent run down the line and crossed the ball into the box for Izzy to slot home the ball to make the score 2-1. NGHS continued to play excellent football and they really piled the pressure onto Thomas Telford, as NGHS were pushing for their second goal unfortunately a kind bounce for Thomas Telford helped them score their third goal, to make it 3-1 to Thomas Telford. The girls played some excellent football throughout the game and I am very proud of every single player. Well done NGHS.

Under 19s County Netball

This Wednesday saw the U19 counties tournament and wow, for Year 13 it was our last county tournament and what a result it was... placing us in the top two to put us through to regionals in January! Playing (and beating) Haberdashers' Adams, Thomas Telford, Shrewsbury Girls High, Shrewsbury School, and Oswestry School was no mean feat and I'm so so proud of how we have come together as a team over the last couple of months. An unfortunate loss against current regional title holders and the team ranked 6th nationally was not necessarily unexpected but we didn't let that deter us and truly gave them a run for their money (which they admitted later). Despite some nail-biting matches due to some questionable passes and interesting ideas of movement, Wednesday was a true success in our books which is no-doubt down to our new, regular training after school which has helped us gel as a team. Thank you Mrs Martin and Mrs Goodall for all of your help and of course Miss Saunders whose support was first class despite not truly understanding any of the rules. **Lucy L (Y13).**

On November 8th, the Panthers eagerly waited for the county tournament to start. We played 4 intense matches against Shrewsbury school, Concord college, William Brookes and Adams Grammar.

We had a brilliant start and won our first three matches; the girls and I worked as a unit and played some brilliant netball. As we approached our final match against William Brookes, we were unsure what to expect, we won the first half but as we came towards the second half William Brookes crept closer to our lead.

Unfortunately, they took the lead by one taking the plate home...big shame. Next time Panthers!

Cheers for Lara!

Congratulations to Lara T in Year 10 who has been selected for Team England Cheer after a pretty gruelling trials process. She is joining the World Cheer Championships in Orlando next Easter to represent her country. This is a huge honour; well done Lara!

Cross Country Success

Cross Country was a great success this year for all ages. Despite some athletes going on a little detour, the courses were thrilling and exhilarating and come rain or shine, we persevered and achieved outstanding results overall. The support that NGHS gave was very motivating and a big thanks for Mrs Goodall and Miss Saunders for always being there at the start and finish.

Annie W (Year 8: 2nd Place)
Philippa G (Year 7: 1st Place)

INTRODUCING OUR SPORTS AMBASSADORS..!

Hi I'm Millie, I play netball for central warriors U17 NPL and Tibberton netball club. I have been playing netball since I was 7 and it's my favourite thing to do. I'm really excited to be sports ambassador this year and am looking forward to the year ahead! (Head Sports Ambassador)

Hi, my name is Tatiana B and I now represent NGHS as the deputy netball ambassador. I help out with lunch time practices while also involving myself in the school netball matches and tournaments. My external team is Tibberton where I train and play a few times a week.

Hi I'm Eve I play Football for Allscott Devs which is in a women's league, as I chose not to play under 18s this season as I wanted a new challenge. For Allscott I play centre mid which I'm thoroughly enjoying and cannot wait for the rest of the season.

Hi NGHS, my name is Recheal B and I am one of the sports ambassadors for this school, I play for AFC Telford u17/18s and I am running football club at lunch time on Thursdays for all to join!

Hi my name is Aimee and I am the deputy sports ambassador for athletics. I am part of Telford athletics club and I have competed nationally for cross country. I look forward to be helping out at fixtures and getting involved!

Hey, I'm Kumi! I'm a freestyle footballer and also a footballer for Whitchurch Alport Ladies. I hope to start a freestyle football club for you soon, so if you're interested please come along! I look forward to seeing you getting involved in all sports at NGHS, and maybe even trying a new one! :)

My name is Eva and I am the sport ambassador for swimming. I am part of Wrekin College swimming club and have competed at a county and regional level. I am looking forward to helping out at fixtures and encouraging younger swimmers to take part.

Hi, I'm Ella. I swim for Newport Swimming Club and am really pleased to be one of the sports ambassadors for swimming at NGHS. I will be helping with anything swimming-related around school and hope lots of you will be getting involved.

Hi I'm Iso! I play handball for Shropshire and Great Britain. I am really excited to be Ambassador for handball at NGHS. I am looking forward to helping at the afterschool club and anything else handball related at school and I hope that lots of you will get involved!

Hi! I am Izzy, ambassador for Rugby. I was part of the schools very first contact rugby team and I intend to maintain the passion and dedication that was shown in that team. Feel free to approach me as I love to procrastinate and would be excited to get to talk about any sports!

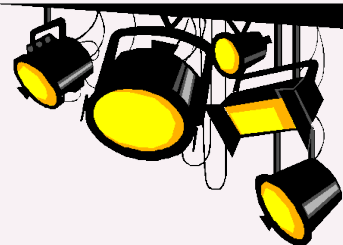

Hi, I'm Harriette and I'm an Ambassador for badminton. I'm in year 12 and my sport is cycling (my preferred discipline is mountain biking). I race at a national level and am hoping to do some international races too. Of course, I can't do cycling here so I'll be running the badminton club on Tuesday lunch times.

I'm Issy and am so excited to be the Ambassador for dance. I have been dancing for 10 years and train in all styles but specifically ballet. I've been lucky enough to train with many schools in the past including the Royal Ballet and Elmhurst and I'm currently preparing for my Advanced 1 ballet exam. I am especially looking forward to running Schools Gotta Dance again!

PE & PSHE Faculty

U15 ESFA Football Cup - Round 1

On Monday 9 October in the hot sunshine our U15 football team headed over to Gospel Oak School in Tipton to take part in their first round of the ESFA tournament. The team had a mixture of year 10 and 9 students and they were all very excited to take on Gospel Oak to hopefully make it into round 2. As the game kicked off both teams had their fair share of chances going forward. Possession wise Gospel Oak tipped the scales in the first half and played some good football, but it was Newport who took the lead with Izzy running onto a through ball and calmly slotted the ball into the back of the net past their keeper to make it 0-1.

The girls continued to battle throughout the remainder of the first half and Harnoor made some excellent saves to keep NGHS going into the lead 0-1 at half time. As the second half kicked off Newport were much stronger and made some excellent passes of play throughout the game. Newport put the pressure on early and Freya scored a brilliant goal to make it 0-2. Gospel Oak put in a good battle and continued to

pressurise our defence, but Newport stood strong and kept them out. Izzy then received the ball in the box and looked up and took the shot to make it 0-3 to Newport. The girls continued to play well and their confidence grew with 4 minutes before full time Freya put a ball through that Grace ran onto and slotted away Newport's fourth goal. I am so proud of all the players, they played some excellent football and worked well together as a team. They are now looking forward to round 2 against Madeley. Well done NGHS!! Player of the match – Ruby.

U16 ESFA Football Cup

On Tuesday 17th October our U16 football team headed over to Our Lady and St Chad Catholic Academy in Wolverhampton to take part in round 3 of the ESFA tournament. We knew this was going to be a difficult fixture but the girls went into the match with a positive mindset.

As the first half got under way OLSC took control of the game, but with Izzy piling on the pressure from the top their defence made a mistake and Izzy capitalised on this and had a one on one with their keeper. Unfortunately, Izzy hit the ball just wide of their post. OLSC continued to play some brilliant football but NGHS defence remained strong and Ruby, Catherine, Jasmine and Daisy continued to frustrate OLSC. NGHS had another two opportunities to take the lead but again the luck wasn't falling our way. OLSC then put a cross into the box and somehow it managed to find the back of the net to make it 1-0 to OLSC.

As the first half continued both sides played some excellent football but OLSC went into half time 3-0 up. As the second half started both teams had some excellent passes in play and continued to work hard throughout. Unfortunately for NGHS, OLSC found the back of the net a few more times in the second half and the final whistle blew with OLSC winning 7-0. Although the result didn't go the way we would have liked. NGHS did themselves proud, they battled for every ball and continued to put 100 per cent into the whole game. U16 team should be proud to get to round 3 of the National League Cup. Well done!

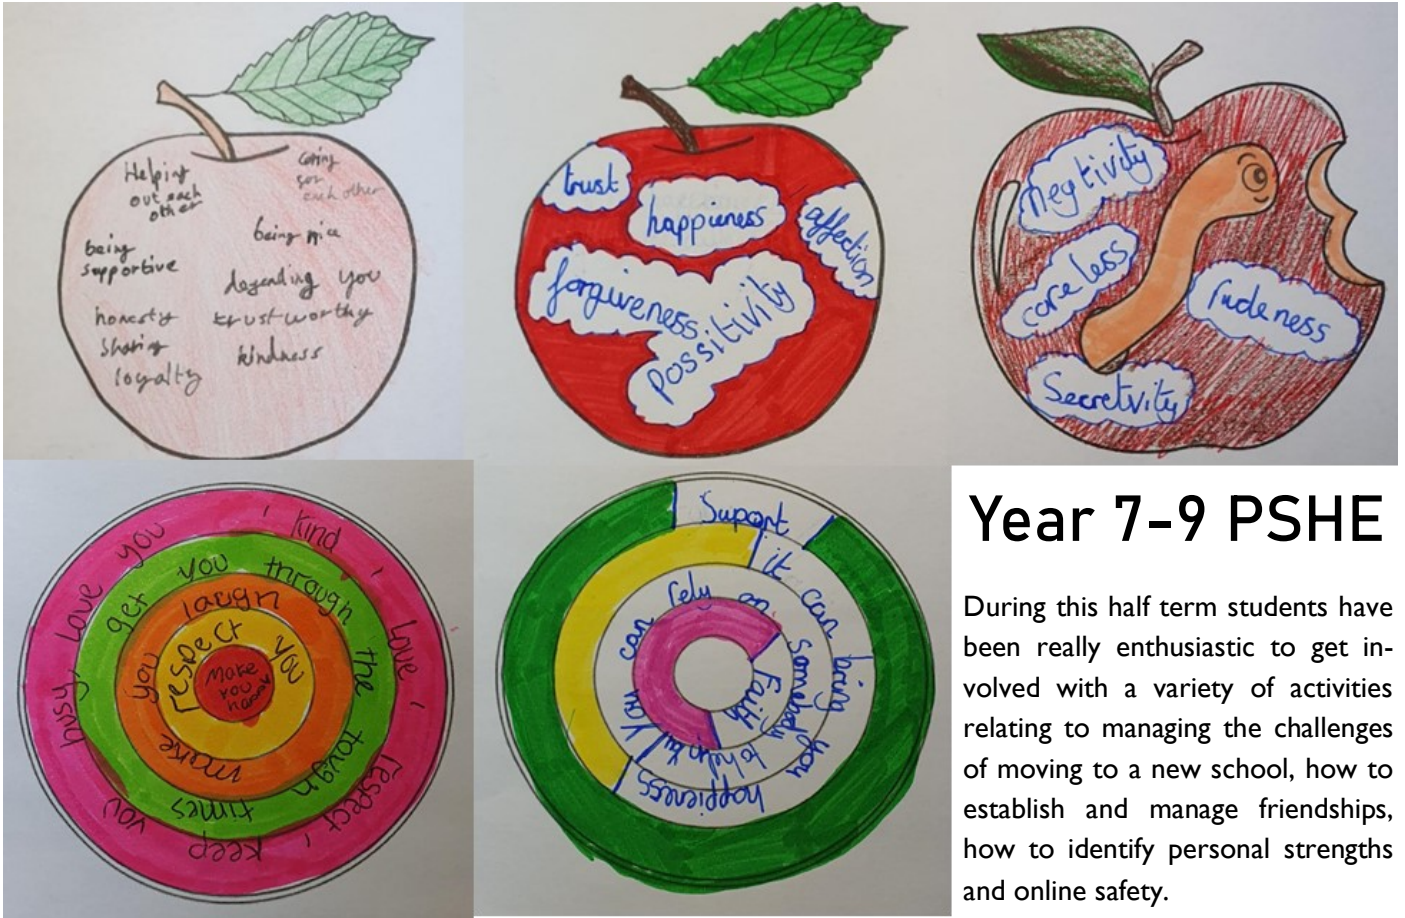

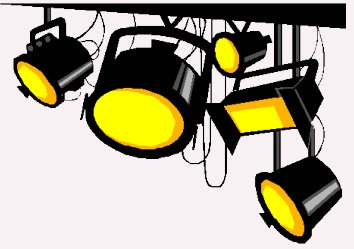

Shropshire Swimming

After I did well in the County Championships in January and gained a West Midlands Regional time in the summer, I was selected for the Shropshire team of 24 swimmers. We went to Ponds Forge International Sports Centre in Sheffield for the National Inter County Team Championships. An early start was necessary and we arrived in Sheffield at around 9am. I competed in the Girls 14/15 years 100m backstroke and I swam the backstroke leg of the girls 14/15 years relay. There was a total of 37 counties there, so it was a great atmosphere and there was even an opening ceremony where 2 swimmers from each county carried their county flag. This was an amazing day and a great experience that I really enjoyed!

Grace W, Year 10

FACULTY SPOTLIGHT

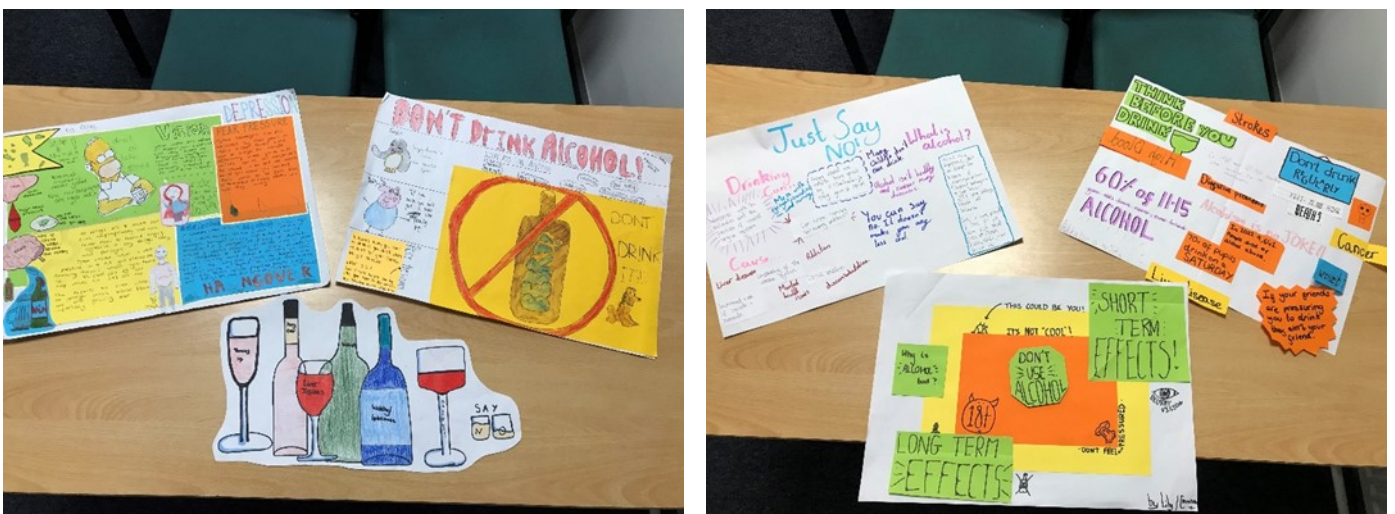

PE & PSHE Faculty

Year 7-9 PSHE

During this half term students have been really enthusiastic to get involved with a variety of activities relating to managing the challenges of moving to a new school, how to establish and manage friendships, how to identify personal strengths and online safety.

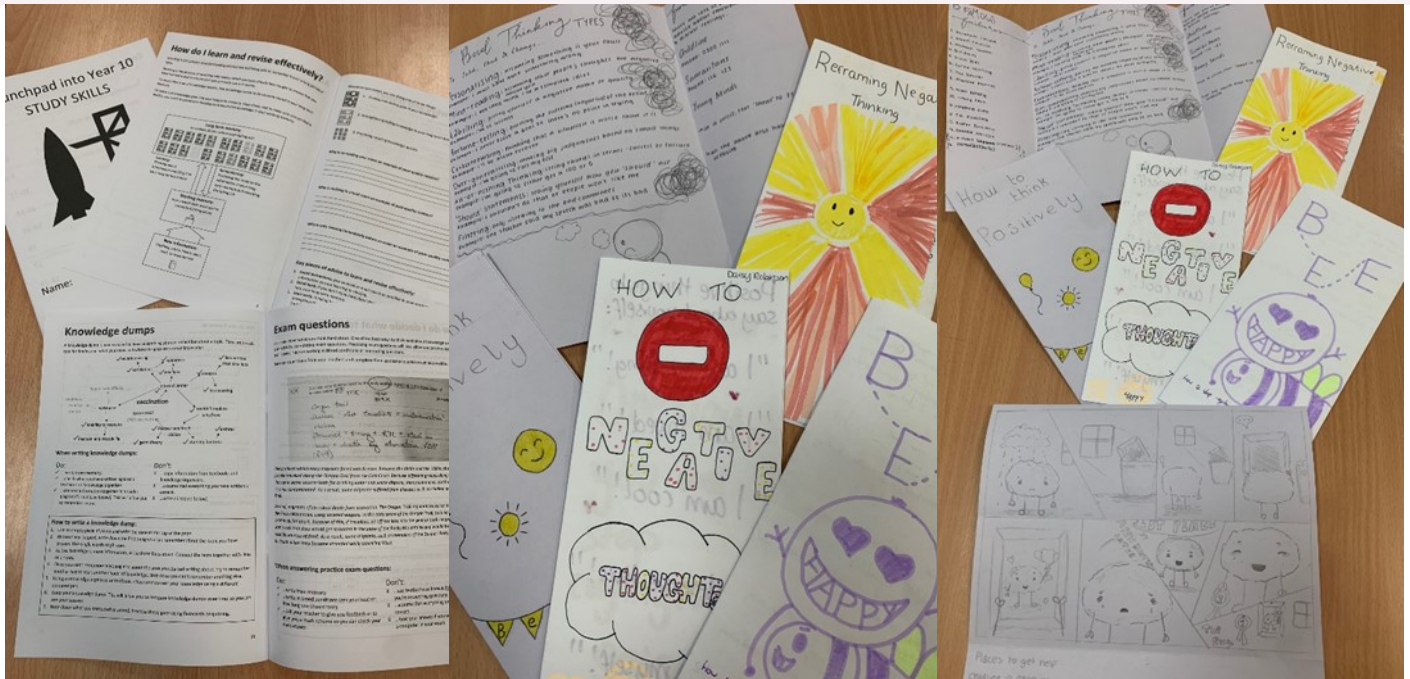

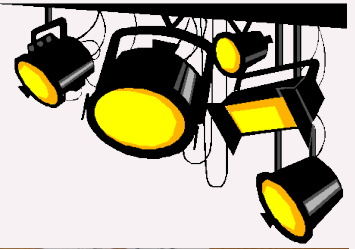

Year 8s have been focusing on the impacts and the misuse of both drug and alcohol, over the course of the Autumn half term. There has been a particular focus on the pressures that young people face from peers, society and social media in relation to the taking of drugs and alcohol. As a class we have been working towards designing a public campaign to deter and raise awareness of the negative and detrimental impact of alcohol and drug abuse. Here are some of our ideas:

In the first carousel of the year 9 relationships unit students have been focusing on families and parenting, healthy relationships, conflict resolution, and relationship changes. We have discussed these topics through many different activities, such as discussions, scenarios and videos. All students have been actively engaged in all areas of the unit and have shown good understanding.

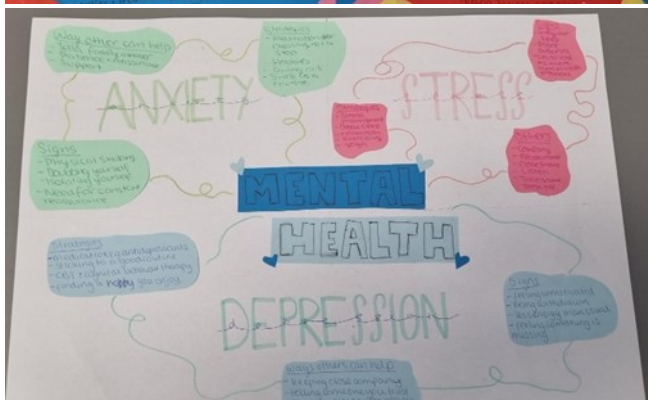

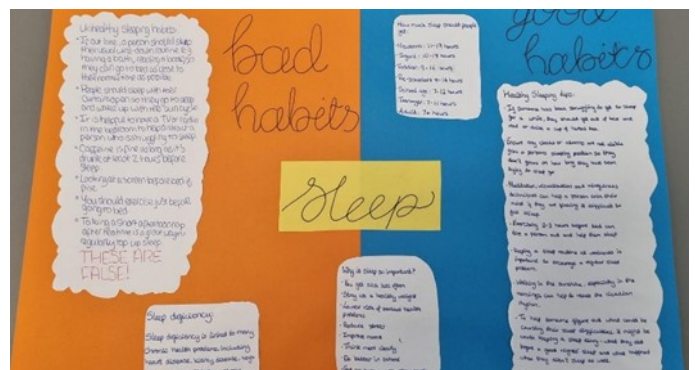

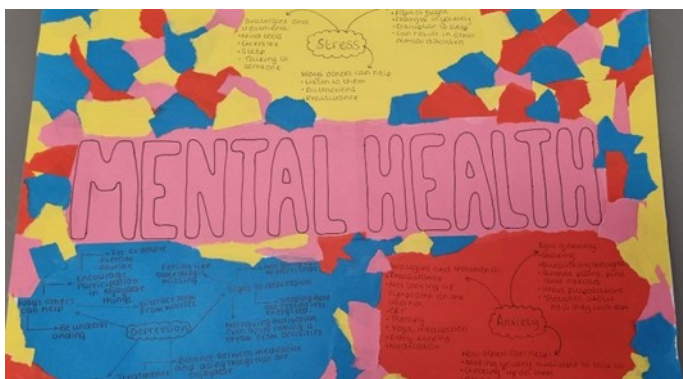

FACULTY SPOTLIGHT

PE & PSHE Faculty

Year 10 PSHE

This term we have been focusing on developing effective study skills and habits; exploring how to manage challenges; and considering ways in which we can reframe negative thinking. Students have reflected on their own attitudes, participation and performance over the last year and looked at how these could be developed in the coming year. As a class we have used our Study Skills booklet to improve our approach to exam preparation using techniques such as the Leitner Method to ensure that flashcards are used effectively to consolidate knowledge; we also trialled the 'Knowledge Dump'! Students then created fabulous information leaflets advising young people on strategies to challenge and reframe negative thinking and signposting them to available support. Students have also looked employability, CVs and work experience. They have benefited from talks by the Army, Wrekin Housing Trust, Ask Apprenticeships and Helen Culshaw, who talked about self-employment. The students are organising their work experience placements and developing their careers plan.

In year 11 students had an introduction to sixth form. This gave them the opportunity for current sixth formers to speak to the current year 11s. The year 11s found this very useful and had lots of questions answered regarding the sixth form options here at NGHS. During this sequence of lessons, it also gave the year 11 time to think about their next steps and what they would like to be doing this time next year.

Students have also been focusing on building for the future, stress management strategies and how to balance time online. There has been a particular focus on sleep, stress, anxiety and depression. As a class we have discussed the causes and effects these can have on people and where and how to seek help if needed. Here are some examples of the excellent informative posters the year 11s have designed.

THANK YOU FRIDAY

Congratulations to this half term's winners...

Each fortnight we recognise students who have gone the extra mile to help a member of staff. Parents will receive recognition of the child's success through a postcard home and publication in Newport News.

ADAMS COACHES

There is an INSET DAY at Adams on Friday 17 November so no Adams Buses are running. There are also no Adams buses running on Friday 22 December.

What Parents & Carers Need to Know about

In October 2022, the enormously popular social media network Twitter was purchased by tech tycoon Elon Musk. That sparked a host of changes to the platform – not all which have been received positively by its fans. The alterations have continued with each passing month, many of them raising online safety concerns among the 530 million users of Twitter (now rebranded as simply X). With further adjustments reportedly in the pipeline, X has attracted more than its usual share of controversy and caution in recent times.

WHAT ARE THE RISKS?

A BLOCK ON BLOCKING

X has announced plans to remove its blocking feature. Previously, this stopped other users from viewing your profile or sending you direct messages, while also hiding their posts from your feed. Only this latter function will now remain. The decision has been criticised by some members, who feel that blocking (in its current form) protects them from X users who 'promote denial and hatred'.

LIMITED REPORTING FEATURES

X offers a premium membership, with some functionality (such as controlling who can view and reply to your posts) increasingly being made exclusive to those who pay the subscription fee. Several commentators have speculated that X could one day become an exclusively paid-for service, with access to accounts being revoked for anyone unwilling or unable to take out a subscription.

AGE-INAPPROPRIATE CONTENT

Many of X's less age-appropriate posts can feature anything from extreme political views to pornography. While accounts marked as 18+ are restricted from non-members, it's still fairly easy to stumble across this material accidentally. X's new 'For You' page also shows content from accounts that a user *doesn't* already follow – meaning that almost anything could end up on a child's feed.

VERIFICATION FOR SALE

Historically, Twitter's moderators granted account verification: certifying someone as authentic by placing a blue tick next to their username. One of X's earliest changes was to place verification behind a paywall; this caused the number of celebrity impersonators to rise and left no way to distinguish, say, a legitimate influencer from a copycat fake account seeking to exploit other users.

BLUE TICK SALE

Advice for Parents & Carers

PROTECT PRIVACY

Unsavory characters may try to gain access to a young person's X account – either to view their posts and gather information on them, or to completely take control of it. To minimise risk, ensure the account has a strong password and enable the 'Protect Your Posts' feature (via the account settings), so that strangers can't view your child's posts without first being approved as a follower.

DON'T RISE TO THE BAIT

To gain more views and followers, some X users post deliberately inflammatory comments on sensitive topics such as race, sexual orientation and gender issues. Many young people could find this upsetting. Emphasise that, if your child encounters someone spreading hate on X, it's best not to give that person what they want: an argument. Ignore them, mute their account and move on.

STAY ALERT FOR IMPOSTERS

Make sure your child understands that X's blue ticks no longer guarantee the identity of anyone on the platform. While it might be exciting if a celebrity liked your child's post, it could just as easily be an imposter with malicious intentions. If your child's not 100% sure that an X user actually is who they claim to be, advise them to err on the side of caution and avoid interacting with that account.

ONLY FOLLOW TRUSTED ACCOUNTS

Using the 'Following' tab on X helps to ensure that the only content your child sees has come from accounts they've chosen to follow: this should reduce the chance of them inadvertently being exposed to harmful, violent or explicit content. Show your child how to report another user's account if, say, they're behaving inappropriately by spreading misinformation or offensive opinions.

BE READY TO TAKE ACTION

If your child suffers harassment on the platform or becomes the target of a hack, you could consider deactivating their account entirely. Recently, X's safety features have been criticised for allegedly failing to protect users' wellbeing – so if your child is being subjected to abusive messages or similar mistreatment on the platform, it might be prudent to remove them from X altogether.
