## SOMETHING COMPLETELY DIFFERENT!

The Lily Pot offers an exciting and different Children's Party. By combining nature with arts and crafts

to help your child create a beautiful arrangement they can feel proud of in a fun environment. Children are encouraged to use their creativity to decorate a pot and with our help make a wonderful arrangement using a mixture of seasonal flowers and decorations.

Our parties are aimed at both girls and boys from 6 years old.

The Lily Pot party package is £150 for 8 children (additional children £15 each). We can also offer you a party food package or if you prefer you can bring along your own food.

The Lily Pot is a new and exciting venture offering flowers for all occasions and workshops as well as the children's parties. We are a friendly team and as a mum of 5 I have

had lots of experience entertaining children over the years and am confident your child will love this different type of party.
