Pool Manager

Olivia Brouwer

pooldepthhead@regentsglen.com

I'm looking forward to our summer season as your new pool manager. As a swimmer (competitive and recreational) for over 15 years, water is my element. My first job was as a lifeguard here at Regents' Glen when the pool first opened, and I loved it. Since then, I've graduated, became a massage therapist, and found myself working in the restaurant business. I gradually worked my way up in different restaurants and was given the opportunity to be a manager here at The Grill for the last 2 years. I've grown to love the staff and members here at RG and I'm happy to be a part of this growing community. In my free time I love to create & sell my artwork, be outdoors, chill with family and friends, take care of my reptile and amphibian, and of course swimming. We have lots of plans this summer with opening and the staff & I are very excited to bring some good vibes to our pool. Stay tuned for the exciting season to come!!!
