HOW IT WORKS

■ With £10,000 in tackle prizes the points, based on entries, are awarded to the top three plus section winners and captors of the largest fish caught in each designated Penn match. Penn also awards a prize of a Spinfisher fixed-spool reel to the angler scoring the most points in matches shown in each issue. If there is a tie, the winner will be the angler whose total is from the greatest number of results and is then chosen on merit by the editor. An angler can win only one reel during the year. To win a prize you must be registered with the Penn Sea League – supply your name, address, phone and email. Send fixtures, results and league registration by email to Ian Bowell: ian.bowell@icloud.com

Winner of May 2023 monthly competition is Saul Page, Deal, with 41 points from three events.
