## A MESSAGE FROM THE BRIGADE PRESIDENT

**W**illiam Smith, our Founder, realised the value of Camp as a device for concentrating training and developing "esprit de corps", over a hundred years ago. It is just as valuable today for these purposes, although in business circles it is called a "conference" or a "convention" and the recent BB World Conference held in Singapore demonstrated the value of assembling representatives of the scattered brotherhood of our Movement from all over the world. Our Camp here at Hazlehead can do just the same thing at Boy level, so I hope that not only will you enjoy the fun, interest and adventure of the Camp, but also will get the feel of the strength of The Boys' Brigade and realise how it is spread throughout the United Kingdom and indeed all over the world.

## THE CITY OF ABERDEEN

TOWN HOUSE,  
ABERDEEN,  
AB9 1LP.

It is my pleasure on behalf of the Aberdeen City Council to extend a very warm welcome to all those attending the Boys' Brigade International Camp at Hazlehead. We are proud of the very strong Boys' Brigade tradition in our City, and this is reflected in the pride with which the "Old Boys" speak of their Company and their Battalion.

Camps play a major role in the Boys' Brigade. To attend a Battalion camp is an experience never to be forgotten, to attend an International camp is a privilege and an honour. In

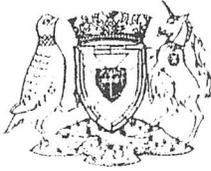

camping it is an experience that cannot be surpassed, the comradeship of being under canvas will be the base on which lasting friendships are built, and provide many happy memories.

You will have arrived in our City with great expectations, we on the Aberdeen City Council and the citizens of Aberdeen will do our best to make the expectations a reality.

Enjoy your stay in our City, we are looking forward to having you in Aberdeen.

  
Lord Provost R.A. Robertson 1993

# GRAMPIAN REGION

GRAMPIAN REGIONAL  
COUNCIL  
Woodhill House, Westburn Road  
Aberdeen AB9 2LU

**A**berdeen is a happy choice as the venue for the 1991 Boys' Brigade International Camp in this, the centenary year of the Aberdeen Battalion of the B.B.

I am delighted to have this opportunity to welcome Officers and Boys to Aberdeen and to Grampian Region.

We are proud of our Region and what it has to offer and we are always pleased to welcome visitors from elsewhere in the U.K. and from overseas.

We appreciate the contribution which the Boys' Brigade movement makes

to community life in our area and I know the organisers of the International Camp will spare no effort to make sure your visit is a success.

Enjoy your time with us in Grampian and do come back and see us sometime in the future.

With Best Wishes.

Councillor Robert Middleton, J.P.,  
Regional Convener.

Camping with the Boys' Brigade always brings back fond memories of comradeship and the lasting fellowship which develops from living together in such a close and Christian community. I am sure the 1991 International Camp at Aberdeen will do likewise to the many young men and women who represent their Organisations from this Country and many other parts of the World. We may all arrive as strangers to one another but I am sure will leave with many happy memories of the friendship and Christian fellowship that one develops at such events. I trust and pray that this will be a week full of happiness and brotherhood.

## THE FLOWER OF SCOTLAND

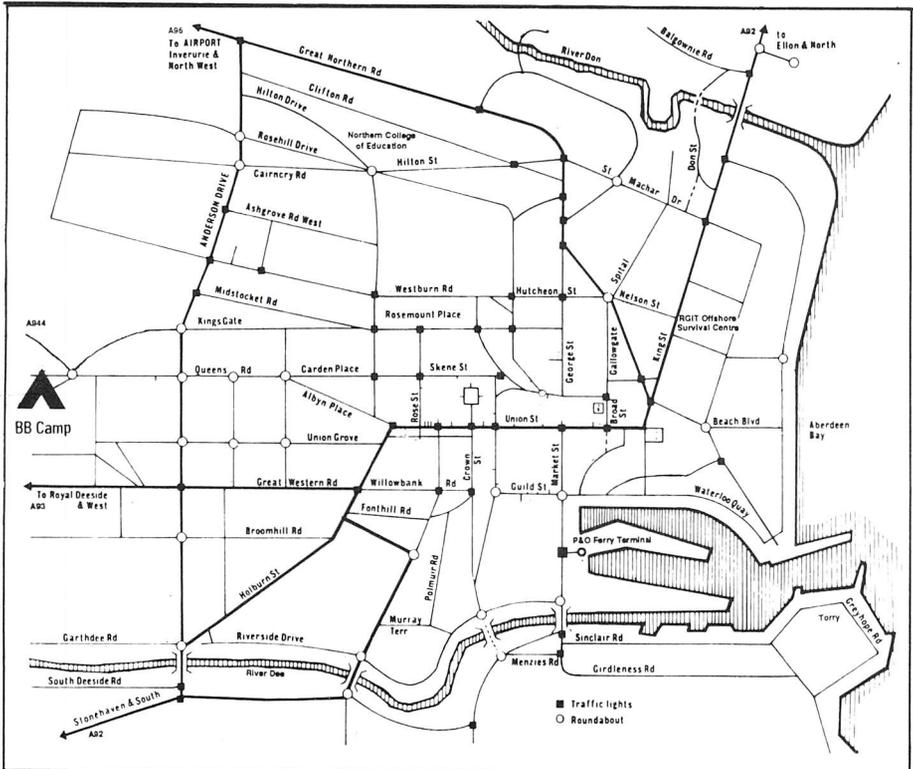

Winner of the Beautiful Britain in Bloom Trophy no less than 10 times, Aberdeen welcomes you all year round with a blaze of colour in our lovely parks and gardens, by road and riverside. You are visiting just at the right time to see Aberdeen's roses at their very best and to enjoy the Rose Festival when 1/4 of a million roses are given away.

Aberdeen is an entertaining city with festivals throughout the year. Our beautiful theatre and concert halls attract top stars. There are lively pubs and discos, restaurants and casinos, fascinating museums, a superb art gallery, an excellent range of shops, parks full of fun and games, and Stratosphere - Scotland's first "hands-on" Discovery Palace where science comes alive.

You'll find Scotland's largest permanent amusement park at the beach - 2 miles of clean, golden sand. Sports facilities are second to none with golf, fishing, tennis and even horse-riding available within the city. The Beach Leisure Centre along with a number of other centres cater for a host of indoor sports.

Your visit coincides with two other major events in the city - the Cutty Sark Tall Ships' Race and the Aberdeen International Youth Festival. You'll be able to board some of these magnificent ships and there will be pipe bands marching, street entertainment, concerts, a firework spectacular and much more.

There's never a dull moment in Aberdeen. You are welcome back anytime.

## A WORD ABOUT THE CHAPLAINCY

**F**riends, fun and faith : that is what we hope you will find at the Camp Chaplaincy Centre.

Most of the friends will be fellow-campers. Perhaps from your own village; or you will find the Centre will be a good place for meeting other Boys and Girls who are staying in other villages. We will be trying to build the right kind of atmosphere so that you feel it is a good place to be around, to spend time in, to feel at home in. It will even be a good place to be by yourself in : sometimes in all the excitement and hard work - and worry! - of a big International Camp it is good to know there is a place where you can just be quiet for a while. When you are there, we hope that you will find that the camp chaplains can be friends as well! Then there will be fun. We plan to have groups each afternoon. Maybe you will just want to come to one, maybe several will be attractive to you. These will be about all sorts of different things. Some will be simply fun : there might be one about music and records. Some will be quite deep : there might be one whether children should be welcomed at communion services. Each day there will be a different topic, so you might only want to come to one particular group which interests you, or you might want to come along several times. Groups are not everyone's favourite way of spending time; so the Chaplaincy Centre has plenty more to offer. We will have videos - a range of different kinds of videos (but not, perhaps, "Police Academy"!), which you can come in to see when you have some spare time; books and magazines; and we plan to have coffee and juice for sale. One of the chaplains will often be at the centre, either to be of help if anything is going wrong, or just for a chat and a laugh.

Friends and fun - and faith. Most of us find it hard to talk about really important things, and

most of us find it hard to talk about God. A B.B. Camp needs to find ways of helping us all to make faith a natural and right part of everything that happens at it: so it is good that the Chaplaincy Centre is right in the middle of the camp. Each day there will be a short communion service very early in the morning, and everyone is welcome to this. There will be opportunities to learn new songs and hymns, and to practice different items to be used in worship - drama, perhaps, or banner-making. And we hope that the atmosphere of the Chaplaincy Centre will be happy and open and supporting, the sort of atmosphere which will help faith to grow.

Most of the work of the chaplains, however, will not be done in the Chaplaincy Centre at all. Each village has its own chaplain; and within each village the chaplain will be very much part of the life of the camp. He (all men!) will help with morning and evening prayers each day in the village; he will be a friend and support to all the Officers and Boys in the village; and he will be a key part of the chaplaincy team for the whole camp. By the end of the camp you will know your village chaplain very well.

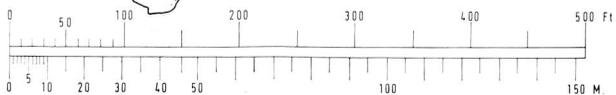

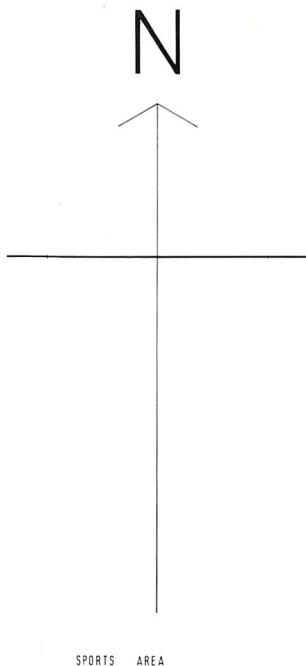

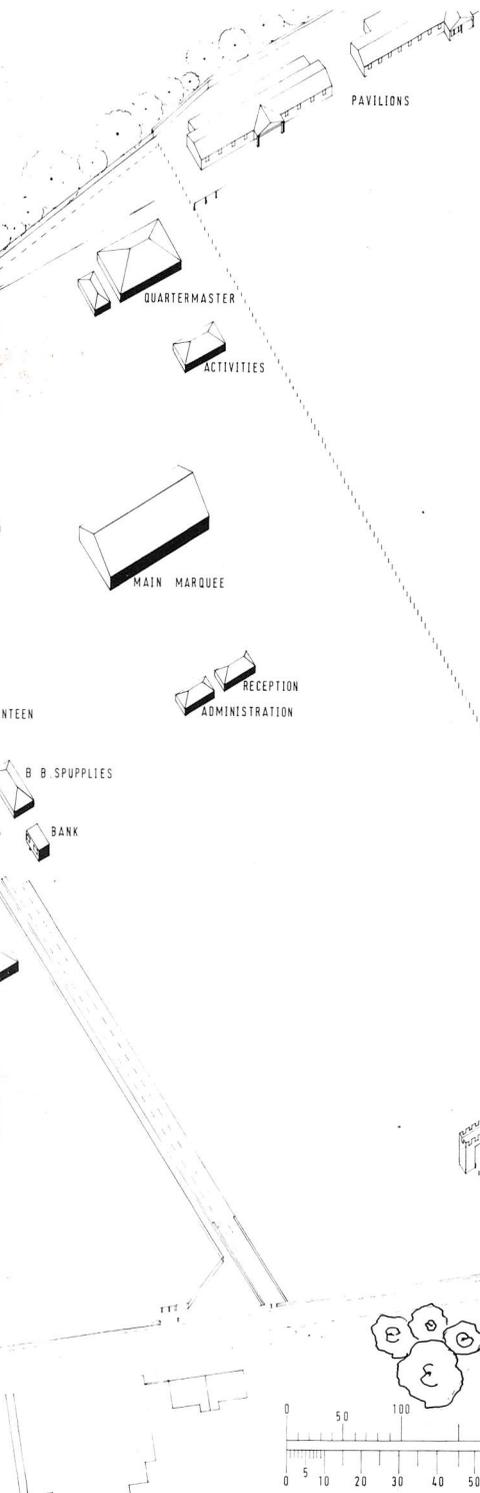

There will be two big services of worship. The first is on the afternoon of the first Sunday, when the whole camp will parade through the streets of Aberdeen to the Music Hall, where some of the people of the city will join us for the service. The other is on the evening of the second Sunday : a "Drumhead Service" at the camp. These will be good occasions, and there will be opportunities for those at the camp to take part in them in various ways.

***In the work of the chaplains at the camp the underlying theme will be "creation". Creation is what God is doing all the time : building new life in us all.***

## CAMP ACTIVITIES

**C**amp is a combination of many important ingredients. The facilities, the food and the programme of activities blend together to provide our enjoyment.

However, the two most important ingredients needed in addition to the above are you and your participation - ready to accept the challenge of the activities offered.

The programme will include inter-tent competitions during most mornings and these will be held within the individual "Camp Castles". These competitions will cover various sports and some unusual challenges!

During the afternoons, specialised activities will be on offer and these will be held (in the main) outwith Camp. These activi-

ties fall into three main categories - leisure, sports and adventure. The activities will range from visits to places of interest through various sports with professional coaching to dry slope skiing, canoeing, sailing, hillwalking etc.

There will also be fringe activities within the camp area. These will include crafts, pioneering, ongoing sports, mountain bikes and the use of various outdoor leisure facilities in Hazlehead Park.

Each evening the emphasis will be on entertainment with one main feature item plus the above fringe activities.

Finally, during your first day at Camp please visit the Activities Tent to collect your "Activities Pass Card" and view the display of activities set to challenge you.

After the Service the Camp will assemble outside the Music Hall and will be inspected by the Prince prior to his departure from Aberdeen.

This will be a memorable day for the Camp and for the representatives of Aberdeen Battalion and the citizens of Aberdeen who will join us for the Church Service.

### Open Day

**O**n Sunday 11th August the Camp will hold an Open Day starting at 1.30pm when friends and relatives of the campers as well as visitors from Aberdeen will be welcome to visit the Camp and take part in a wide range of activities and entertainment. Although it will not be possible to provide meals for our visitors, snacks and other refreshments will be available throughout the afternoon and early evening at the Camp canteen. Our visitors will also be invited to join us at an open air Drumhead Service to be held in the Camp at 7.30pm, when the preacher will be Rev. John Bell. This will finish around 8.30pm, bringing the day to a close for our visitors.

### International Highland Games

**W**e will depart from Aberdeen after Lunch on Friday 9th August heading for Crathes Castle. The Castle, situated on Royal Deeside, is approximately 17 miles west of our Camp-site.

The beautiful Castle grounds will provide a unique setting for our programme to unfold.

The afternoon event will include many traditional Highland Games activities and entertainment mixed with a blend of more unusual items to add to the fun for your day.
