Please ensure this information is shared with all your relevant players. Other information will appear on the website and Facebook pages. Nothing is posted through the mail to club secretaries now – if possible!

The **County Committee** meet around 6 times a year, Clubs may submit suggestions or issues for consideration to the Committee by emailing the County Secretary. Alternatively Club personnel may attend Committee meetings to observe. If you wish to attend a meeting please contact the County Secretary to arrange.

The **County Handbook** is produced to coincide with the start of the Winter League in September. Copies are handed out to Clubs on match nights and also available from the Duty Box

Tyne and Wear County offer financial support to help coaches develop their skills and progress through the Coaching Pathway from Level 1 upwards. Go to the Coaching page on the website for details and how to apply. Coaching Courses are run by UKCC, and current courses are advertised on the England Netball website.

The County has a number of coaches qualified at various levels. If you are looking for someone to help with coaching at your club please contact the Coaching officer on coaching@tyneandwearnetball.net or check the website.

Over the course of the season the county try to offer training and development events for existing and new coaches. All coaches are welcome to attend any of the County Academy or Satellite sessions to see the County Coaches in action.

Tyne and Wear County and Satellite Academies

Tyne and Wear County deliver a County Academy and Satellite Academy to provide the opportunity for young players to develop and progress along the England Netball Performance Pathway. Both Academies involve regular (weekly) training sessions and a series of match play opportunities.

The Satellite Academy is the first entrance into the Excel Pathway and the focus is on the individual's development. All academy athletes are required to be members of a school and club team so that they can gain match competition in these environments. The Satellites offer 30 hours of training over 10 months to a squad of 20 players. All players **MUST** be affiliated to a club. Players at Satellite level are from school years 7, 8 & 9.

The County Academy is the next step up from the Satellite Academies and the focus is on working with other players. The U17 (school years 7 - 12) Academy offers 60 hours of training over 10 months to a squad of around 24 players. All players **MUST** be affiliated to a club.

Trials for the academies are held in June/July time each year. Please check the website for more details of academies, dates, trials, etc..

Tyne and Wear Schools

England Netball run a national competition for all affiliated schools. The competition is played at three age groups, Under 14, Under 16 and Under 19. The format involves a County round which takes place in October/November time. Two schools from each age group progress to a regional round. The Regional Round (North East) is held on the last weekend of January and two teams from each age group progress to the National Finals. The National Finals are held in March. All dates are estimates and subject to confirmation. For confirmation of dates please see the county website.

In order for schools to enter the County round of the National Schools competition they must be affiliated to England Netball at least two weeks before the date of the county round of the competition. Affiliations are paid to England Netball at the start of each academic year. If any school experiences difficulties with affiliation please contact the County Affiliation Secretary or the County Schools Secretary promptly.

2018– 19 Affiliation Fees

Umpire Requirements

To officiate in the County Leagues all umpires must be qualified to the relevant level, attend the annual County/Regional Umpiring Seminar, reach the appropriate level on the fitness test and abide by any requirements as set in the league rules – for example the 3 hour rule. All Umpires should note the following from England Netball with regard to the ongoing validation of their qualifications.

B&C Award: There is no expiry date to this award but umpires **MUST** maintain the expected standards which include:

- ✓ Applying the rules fairly and consistently
- ✓ Good positioning and timing which will include keeping slightly ahead of play on the sideline, arriving on the goal line on most occasions as the ball enters the goal circle and returning back to centre third to blow for the centre pass, without delaying play
- ✓ Commitment to on-going umpire development, this may include attending new rules sessions or County/Regional Umpiring Workshops

Umpiring Progression

When you decide you would like to work towards your C award you should:

- ✓ Practice scoring and umpiring at training sessions.
- ✓ Attend a C Award course
- ✓ Get a mentor to assist you with your umpiring. The County Umpiring secretary can help you find a suitable mentor if you do not have any in your club. Or you can contact someone on the list below.

For progression from C award to B award, you should contact a mentor on the list below or the Regional Umpiring Secretary.

League Rules & Regulations 2018-2019 (Winter & Summer)

Changes from last seasons league rules are highlighted but please read the whole document!

1. General

Tyne and Wear County Netball League (Winter & Spring) is a county competition organised by Tyne and Wear County Netball Association (TWCNA) to enable clubs in their county to compete against each other and encourage participation and development in netball through a progressive league structure.

These regulations outline the Rules upon which the two (Winter and Spring) County Leagues will be run. The Regulations must be followed by all teams, players, officials, spectators and administrators in the management, administration and operation of the County Leagues. It is the responsibility of Team Managers, Coaches and Captains to ensure that all players, club officials and supporters are conversant with the following rules and regulations. All clubs will be held responsible for the actions and behaviour of their players, officials and spectators.

By entering a team in the Tyne and Wear county leagues, clubs/teams agree that:

- They will abide by these rules and regulations
- They are able and willing to fulfil the costs and commitments of participation in the County League

The decisions of the Tyne and Wear County Netball Association (TWCNA), or its nominee(s), in respect of these rules and regulations and on any other matter related to it's Leagues not provided for below, shall be considered final and binding on all parties (subject to the right of appeal detailed in Section 9). These rules and regulations shall be subject and secondary to the application of England Netball's rules and regulations.

2. Competition Structure

2.1 The County Leagues will consist of as many divisions as the entry warrants and can be catered for within available court time. Entry will be determined by TWCNA at its absolute discretion. Priority will be given to teams from existing league clubs or new teams based in the Tyne and Wear county netball geographical area. Teams which are based in other 'netball counties' will be required to compete in their own county league before they may be considered for inclusion in the Tyne and Wear County League.

2.2 All new entrants to the T&W County League will be required to enter at the lowest division.

2.3 Teams wishing to enter any of TWCNA's leagues must attend the relevant meeting and must pay the required league fee on the night. League Fees will be set annually by the TWCNA. Late payment of fees will incur an incremental increase!

Sanction: Existing Clubs who do not attend the relevant entry meeting and subsequently apply for entry may be relegated to a lower division or may incur a financial penalty of up to £20 – this will be at the discretion of the TWCNA.

2.4 At the end of each league season the teams finishing top of each Division will be the winners of their division.

2.5 At the end of each league season the two teams finishing at the top of each division will be promoted to the divisions above. The exceptions to this are:

2.5.1 Division 3L & 3R where only the top placed clubs will be promoted to Division 2.

2.5.2 Division 6 where the up to 4 teams may be promoted to Division 5L and 5R

****TWCNA Committee will be reviewing the process of promotion over the 18/19 year and may introduce changes which will take effect for the Spring Season.**

- 2.6 At the end of each season the two teams finishing at the bottom of each division will be relegated to the divisions below. There will be no relegation from the lowest division(s).
- 2.7 In exceptional circumstances TWCNA reserve the right to make decisions relating to relegation and promotion which are in the best interests of its members.
- 2.8 A Competition Referee will be appointed by TWCNA for the County Leagues. The Competition Referee will have the authority and jurisdiction to make decisions on any matters arising throughout the Competition including, but not limited to:
- 2.8.1 altering or amending the playing schedule as necessary;
 - 2.8.2 determining if there has been a breach of the Regulations and imposing an appropriate sanction (including disqualification of any individual, player or team)
 - 2.8.3 instances of unsportsmanlike behaviour that brings the sport into disrepute including instances of team predetermining, or attempting to predetermine the outcome of the Match and/or the competition making recommendations to the County Committee on promotion issues and carry over of points penalties
 - 2.8.4 Determine the score should any Match not be concluded due to any unforeseen circumstance
 - 2.8.5 Any matter not covered specifically within the Regulations.
- 2.9 The Competition Referee may call upon, or delegate to, additional persons to assist with the Competition or consult with other persons prior to making any decision. Decisions will be reported to the TWCNA and the final decision, and accountability for any decision, will rest with TWCNA.

3. Player Eligibility

- 3.1 To be eligible to participate all players and officials must be in membership of England Netball as an affiliated Registered Participant having paid the full affiliation fee due and received confirmation of their affiliation from England Netball in advance of taking the court.
- 3.2 All players must be aged 14 years or over as at midnight 31st August/1st September prior to the commencement of the League. Written applications (accompanied by a completed Age Banding Form) can be made to the Performance Officer for consideration of a player aged 13 at midnight 31st August/1st September to be allowed to compete. In this case the player's skill and maturation level will be reviewed by the Performance Officer in conjunction with relevant County or Regional Coaches or whoever they feel relevant.
- 3.3 A player may play for no more than 2 Clubs in a county league. This rule will take effect from the Spring 2019 League.**
- 3.3 A player who is 'first claim affiliated' to England Netball via a Tyne and Wear County Club, may play for that club in the County League without paying any additional fees. If this player then chooses to play for a second club in the County League they must be second affiliated via My Net to that additional club. **The fee for a second affiliation is £10 per player, per club.** This fee covers the player to play for that club in both the Winter and Spring Leagues.
- 3.4 A player who is affiliated to a club via a county other than Tyne and Wear must be second affiliated via My Net (or pay the second affiliation fee direct to the County) in order to play in the T&W County Leagues **– this fee is set at £10 per player, per club.** This fee covers the player to play for that club in both the Winter and Spring Leagues.
- 3.5 Once the league has commenced and nominations have been received Clubs may only add players to their teams who are 'new to the league'. 'New to the league' is a player who has not taken the court for a team in the**

relevant T&W County league or been nominated to another team in the relevant T&W County League. These players may be first or second affiliates.

3.6 Players may play for more than one club in the County Leagues subject to 3.1 to 3.5 above and the following:

- **Division 1 or 2.** A player may only play for one club in these divisions. Where a Club has teams in both divisions then players may play up from the lower placed club to a higher placed club subject to the rules around playing up in Section 4.
- **Below Division 2.** A player may play for more than one club in the divisions below Division 2, but may only play for one club in any one division. Note that Division 3L and Division 3R are deemed separate divisions, and similarly 4L and 4R, etc..

Sanction: Teams who play an unaffiliated, ineligible or under age player will forfeit any points awarded for the game played. The five points will be awarded to the non-offending team and a score of 20-5 recorded. The offending team may incur an additional points penalty at the discretion of the TWCNA. Subsequent contraventions may incur a financial penalty at the discretion of the TWCNA.

4. Nomination of Squads

4.1 All affiliated players within a club must be nominated to a team. A minimum of 7 players (no maximum) must be nominated for every team. Nominations for the two county leagues (winter and spring) are entirely separate.

4.1.1 All clubs must submit their nominations on the night of the first match involving a team from their club. Clubs will submit their squads by printing out their Club Roster from My Net and marking each player with their nominated team.

4.1.2 Clubs who are unable to second affiliate players via My Net must add their names to their Club Roster and pay the relevant fees on the nomination night.

Sanction: Clubs submitting nominations after their deadline or failing to pay required fees may incur a points or financial penalty at the discretion of the TWCNA.

4.2 Where a club has more than one team the following limitations will apply:

- 4.2.1 A higher nominated player cannot play for a lower nominated team within their club.
- 4.2.2 A lower nominated player may 'play up' for a higher nominated team within their club **on a total of 3 (three) occasions in any one county league.** After the third time they play up their nomination will be reassigned to a higher club as defined below (a & b) **and they will not be permitted to 'play up' again for the remainder of the season.**
 - a. Having played up 3 times the player will have their nomination reassigned to a higher team as follows.
 - A player who has played up three times for the same higher nominated team will be reassigned to that team.
 - A player who has played up three times for two (or three) different higher nominated teams (eg: C team player playing for B team once and A team twice) will be reassigned to the lower of the nominated teams they have played on. In our example they would move to the B team. OR
 - b. Having played up 3 times the Club may choose to reassign the player to a specific team which is higher than would be required under a. above. For example a D team player who has played up 3 times on the C team could be reassigned to the B team rather than the C team. In these circumstances the Competition Referee must be informed either by email or via a signed note made on the Team Sheet.

- 4.2.3 Players 'playing up' on any occasion must be marked on the team sheet with an asterisk.

Sanction: Teams found to be in contravention of the Nomination Rules above will forfeit any points awarded for the games played. The five points will be awarded to the non-offending team and a score of 20-5 recorded. The offending team may incur an additional points penalty at the discretion of the TWCNA. Subsequent contraventions may incur a financial penalty at the discretion of the TWCNA.

5. Fixture Arrangements

5.1 All matches must be played as per the fixture schedule published by TWCNA. Fixtures will only be rearranged in the event that the venue is deemed unplayable. In the event that the venue is unplayable, every effort will be made to contact clubs and inform them of the cancellation but no financial compensation will be payable in the event of expenses incurred.

5.2 Application may be made to the Competition Referee if match clashes arise from progression in a national or regional netball event (this will not include clashes with other local leagues).

5.3 In the event that a team cannot fulfil a playing fixture they should offer the opposing team a friendly. Sanction for conceding a match: the non-offending team will be awarded the 5 points for the match and a score of 20-5 will be recorded.

- 5.3.1 If a friendly cannot be offered the team cancelling must inform the opposing team, the clubs providing the two umpires for the match and the Competition Referee as soon as possible. **The non-offending team may request up to £25 from the team cancelling.** This money is to compensate the non-offending team for the match lost and to pay for their umpire. It is up to the non-offending team to request the money and arrange payment.
- 5.3.2 When playing a friendly the team conceding must inform both umpires and the opposition captain that the match is a friendly before the match starts.

5.4 In the event that both teams concede a match then a score of 0-0 will be recorded and neither team will receive any points for the match.

5.5 Any team who concede more than 2 of their 9 matches during the course of a season will automatically have all their results for that season declared void.

5.6 Every Club will be required to administer at least one night of matches during each of the leagues. Sanction: Failure to attend for a 'duty night' will incur a £10 fine.

6. Match Regulations

6.1 All games shall be played to the IFNA Rules of the Game currently in force in England at the time, except where specific local regulations apply (as outlined in these regulations). England Netball Domestic Rules Guidance will also apply where applicable.

6.2 Matches will consist of four 12 minute quarters with intervals of 2, 3 and 2 minutes respectively. Central timing will be administered by the duty team. If a team is not on court at the starting time, the umpires after discussion with the Captain(s), may award the match to the team on court. Even if the game is awarded to the team on court at the starting time, a friendly should be played if possible and the umpires must remain on court to officiate this match. Matches decided in this matter will be dealt with as per conceded matches.

6.3 Following the changes to the IFNA Rules of Netball in the event of a player being suspended the following will apply:

Division 1 & 2 - Scorers must ensure that they are ready to time the 2 minutes in the event that a player is suspended. So all scorers must have with them either a stopwatch or a phone with a timer.

Division 3 and below - as we operate on central timing it isn't practicable for the team on duty to time any suspension. So in Division 3 and below the penalty for a suspended player will be 3 goals.

6.4 Injury/Illness/Blood procedures will be as per IFNA Regulations (9.3) subject to the following: there is no additional time available to extend a match, so any stoppages will mean a reduction in playing time for those teams. Time will not be added at the end of a match to cover for stoppages.

It is the responsibility of each team to provide basic first aid cover for its players, officials and spectators. A small selection of bandages and tape will be available from the Duty Box.

6.5 In the event of an accident, the reporting procedure as detailed on the England Netball website should be followed and the accident recorded in the venue's accident reporting book. This procedure should be followed for ALL injuries and accidents, regardless of whether or not medical treatment is given. Copies of the England Netball Accident Reporting Form are available in the Duty Box.

6.6 In the event that a match is abandoned after it has started, the result or rearrangement of that match will be determined by the Competition Referee. The score, time and circumstances of the abandonment should be noted on the team sheet. For games abandoned in the last five minutes of the match the score at the time the game stopped will stand and there will be no replay organised.

6.7 Teams are required to provide Bibs and a Ball which meet IFNA regulations. Sanction: In the event that a match fails to go ahead due to lack of Bibs or a Ball the relevant team(s) will be deemed to have conceded the game and the relevant penalty applied.

6.8 Teams must take the court in matching kit which as a minimum must not clash with their opponents. Teams should play in tops and skins which co-ordinate with their basic kit colours and similar colour skirts. Tracksuit bottoms, leggings and shorts may only be worn under a skirt/dress. Where clashes or issues arise with kit the umpires should be approached before the match and a solution found using common sense to ensure that players are not unduly affected.

6.9 Photography or video recording is not permitted at any match without the following being in place before the match commences:

- 6.8.1 the agreement of the opposing team
- 6.8.2 both umpires have been informed and have no significant objections
- 6.8.3 the appropriate paperwork (see county website) has been completed and is available for inspection by any umpire, player or coach, prior to the start of the match

7. Registration of Results

7.1 Each team must submit a completed Team Sheet for every match, signed by both Umpires and showing:

- full names of all players, as they appear on My Net
- full names of all substitutes, clearly indicating the quarters played
- asterisks marking all players who are playing up from a lower team
- the final score & name of winning team

Sanction: Teams who submit an incorrect team sheet or who regularly fail to submit team sheets may incur a financial or points penalty at the discretion of the TWCNA Committee.

7.2 Points will be awarded as follows: 5 points for a win, 3 points for a draw, 1 point for more than half score, 2 points for a loss within 3 goals of the winning score, ie: 21-24.

7.3 A League Table will be compiled on the basis of the points awarded. The results and league table will be accessible at all times via the County website. Final league positions will be ranked by points, then if required by goal average, goals difference and finally goals scored (higher taking preference). If none of these differentiate between the teams then the scores in the matches played between the teams over the course of the season shall be calculated and ranked as per the league table detailed above. If this fails to differentiate between the teams then the TWCNA shall determine the means of differentiation.

8. Match Officials

8.1 For every match played there will be a reciprocal requirement for a team to provide an umpire. All costs associated with the provision of their umpire rests with the relevant club.

8.2 All Clubs playing in the Tyne and Wear league must nominate an "active umpire" for each team they have in the county league. An Active Umpire is one who meets the requirements detailed in 8.3 and in addition umpires at least 5 matches for each nomination. Individual Umpires may be nominated a maximum of 2 times. Allowances will be made for regular club umpires who are injured or pregnant. The Umpiring Secretary should be informed in a timely manner of any issues which arise during the season. This rule will take effect from the Spring 2019 League.

8.3 All umpires who officiate in the Tyne and Wear County league must:

- a. hold a full affiliation to England Netball
- b. achieve fitness at a county or regional Bleep Test as below:
 - i. Level 4.1 to umpire in Division 3 and below
 - ii. Level 5.1 to umpire in Division 1 or 2.
- c. attend at least one County Umpiring Seminar every year and more where required
- d. be qualified as below:
 - i. Division 1 – B Award or above
 - ii. Division 2 – B Award or above or C Award holder actively working toward their B Award and with a mentor observing.
 - iii. All other divisions – C award or above. Divisions 5 & 6 may be umpired by trainee umpires who have been approved by the Officiating Secretary and have a mentor observing. **Note also that there is a progression process that all newly qualified or returning umpires must adhere to in order to progress above Division 5.**

8.4 It is the responsibility of the club to ensure the umpire they provide is neutral to both teams. Umpires should not commit to matches where they are not neutral and if this occurs must swap courts. Sanction: Financial or Points penalties may be applied to clubs or umpires who repeatedly fail to adhere to this rule.

8.5 It is the responsibility of the two officials in charge of each match to ensure that these regulations are applied appropriately and that discipline on and around the court is maintained. If any specific issues arise they should either note these on the team sheets or inform the Competition Referee via email.

8.6 Umpires must not umpire for three hours, or play and umpire for three hours where the third hour is umpiring. It is the responsibility of the umpire to ensure that they are not breaking this rule. Breaking the three hour rule will be sanctioned where an umpire steps in to cover for an umpire as detailed in 8.7 below.

8.7 In the event that an umpire fails to arrive, or is injured or taken ill during a match:

- Another umpire with the appropriate qualification should be asked to umpire the match. Failing that, the next best-qualified umpire may umpire subject to the agreement of the two team captains. However if both teams agree then there will be no right to appeal for a replay.
- If no suitable substitute is available the Competition Referee should be informed.
- In the event that a match has to be rearranged due to an umpire not attending the club responsible for the provision of that umpire may be liable for the costs of the rearranged match.

8.8 Where a team fails to provide an umpire for any reason this will be investigated by the Competition Referee and Officiating Officer and following referral to the TWCNA an appropriate penalty agreed. Penalties could include the forfeit of any points gained for the reciprocal match, or a financial penalty, applied to the Club or the Umpire, depending upon the circumstances. In certain circumstances points penalties may be carried over to the following season.

Match Bench Officials

8.9 Division 1 and 2 teams MUST provide a competent scorer for each of their matches. The two scorers should sit together away from the main bench areas in order to ensure that discrepancies are avoided or resolved within the quarter. The Team/Scorer at the entry/bar end of the court should also use the flipchart to display the score during the match this will help to avoid discrepancies with the scores.

Sanction: In the event that a team fails to provide a scorer, one of their players will be required to leave the court and take on this role.

9. QUERIES, COMPLAINTS & APPEALS PROCEDURE

9.1 The Competition Referee for the Tyne and Wear County League (Winter & Spring) will be **Cat Witty**. The Appeals Officer will be **Sarah Jane Cross** the County Secretary. All decisions of the Competition Referee will be referred to the County Committee for endorsement. All queries and complaints (a Complaint) should be directed to the Competition Referee in the first instance, which will be dealt with as follows:

The Competition Referees decision in relation to decisions taken under clause 9.1.1 is binding apart from where parties to the complaint have the right to appeal the decision under Section 9.2 below.

9.1.3 Where a Complaint relates to the governance or administration of the Competition by the Tyne and Wear County Netball Association, such complaints will be dealt with under the Complaints Procedure of the Tyne and Wear County Netball Association.

9.1.4 Where the Complaint relates to the behaviour of an individual Player or Team participating, volunteering or individual attending a Match which could be considered as a Disciplinary Offence under England Netball's Disciplinary Regulations, such complaints will be dealt with in accordance with the processes set out in England Netball's Disciplinary Regulations.

9.2 Appeal of Competition Referees Decision

The decision of the Competition Referee in relation to a complaint submitted in accordance with section 9.1.1 shall be final and binding on all parties save that a party has a right to appeal in the following circumstances: :

- a. If the decision has a potential impact on a match result, a league table, or the outcome of the Competition; AND -
- b. If there has been a failure by the Competition Referee to follow or act in accordance with these Regulations and/or the Competition Referee reached a decision on the basis of an error of fact.

There is no further right of appeal on this decision.
- ix. The procedures set out in this section shall be governed by the Arbitration Act 1996 (the Act) and amount to a binding arbitration agreement for the purposes of Section 6 of the Act.
- x. The parties also waive irrevocably their right to any form of appeal, review or recourse to any court or other judicial authority, or under England Netball's Disciplinary Procedures Manual or otherwise, insofar as such waiver may be validly made.
- xi. The seat of arbitration shall be England, the language used shall be English and the governing law of the regulations and these proceedings under Section 3 shall be English Law.

xii. If the circumstances require a decision to be taken sooner than provided for by this section, and all parties to the appeal consent, the timetable within which an appeal is raised, submissions made and the decision taken can be shorter than the timescales stated in this Section.
