From Your Executive Director

As we move into the summer season, I invite you to visit your parks and participate in the programs we have created for you. We strive to provide something for everyone!

Please take time to review the program offerings in this brochure. You will see that there is something for you and your family. Don't feel like participating in anything. Need a boost? Try this! How about taking a swim in the new indoor pool at Hinkston Park. The therapy pool there is a lifesaver for those who want to exercise but are having problems with stiff joints and arthritis. The warm water and flowing vortex will soothe your aches and pains and make exercise and movement a pleasure again. Bet you will be back for more.

A yearlong celebration continues of the 100th Anniversary of the park district. Hope you will join us for the festivities along the Independence Parade route and at the Centennial Festival in Bowen Park. See page 9 for details.

This is my last message to you as I am retiring after over 30 years of service to the park district. I am honored and proud to have served you and I hope you to see you in the parks...

Go Waukegan!

The Lake County Health Department is leading a county wide health improvement plan to reduce cardiovascular disease and hypertension, obesity, depression and suicide, and diabetes. Live Well Lake County created several action teams to work together to positively impact the health of our residents.

Jay Lerner, Superintendent of Recreation for the Waukegan Park District co-chairs a team that is focused on getting people more active which is important since 57% of Lake County adults are overweight or obese. "The simple act of walking has the power to transform your health and begins with a single step." (Vivek H. Murthy U.S. Surgeon General) It is recommended that all aim for 30 minutes of walking per day. Go Waukegan is an event that promotes health and walk-

ing. Come join us on May 13th at 9am at the Field House Sports, Fitness & Aquatics Center to kick off Go Waukegan and walk your way to better health.

Waukegan Park District Promotes Walking Year Round

The Field House Sports, Fitness and Aquatics Center provides free indoor track walking times for residents:

Monday–Friday 9–11am, 2–4pm and
7:30–10pm
Saturday and Sunday 7–10am

The Waukegan Park District maintains 14 walking paths and trails for residents to enjoy. They are spread throughout the community and vary from asphalt to natural walking paths. More information about these trails is available at:
<http://www.waukeganparks.org/trails/>
For more information about other Live Well Lake County events and initiatives, visit:
<http://www.livewelllakecounty.org/>

There will be monthly walks at the Field House at 9am on the following dates: June 5, July 30 and August 7.

Water Safety

We live in Lake County surrounded by beautiful water resources, inland lakes, rivers, and Lake Michigan. People are naturally attracted to water. To be safe, it is important to practice a few basic safety tips when visiting the beach, pool or water park.

- Never leave a young child unattended near water
- Teach your child basic water safety
- Designate a watcher to keep their eyes on a young child playing near or in the water at all times
- Learn to swim and have your child learn to swim
- Buddy up, don't play or swim in water alone
- Know your limits
- Swim in safe areas only, those designated areas supervised by lifeguards
- Obey the lifeguard's instructions
- Pay attention to No Diving or No Swimming Signs
- Watch the sun, wear sunscreen, sunglasses and hats
- Drink plenty of fluids
- Never mix alcohol and water
- Wear a Coast Guard approved life vest
- If you get caught in a current, swim parallel to shore until you are out of the current, then head back to shore
- Know what to do in an emergency—Learn CPR & First Aid

Learn to Swim Classes at the Waukegan Park District

Thanks to a generous grant from North Shore Gas, Learn to SwimSmart, a free introductory starter class for ages 6-7, is offered throughout the summer. Children become accustomed to being in the water and learn safety, swimming fundamentals, pool rules and etiquette over the six 30 minute classes. (For more information, see page 29)

SwimSmart classes are held throughout the year at the Field House Sports, Fitness and Aquatics Center. Classes are organized by age and skill level. (For more information, see page 28) Private and semi-private lessons are also available. (For more information, see page 30)

A controlled burn in Henry Pfau Callahan Park

Controlled Burns in Our Parks

The State of Illinois Environmental Protection Agency approved and issued a permit to the Waukegan Park District to conduct controlled burns in certain designated natural areas. Controlled burns are conducted between the months of November and April, weather permitting. Controlled burns are used to improve and maintain native plant communities and wildlife habitats.

Periodic fires were once common on the Illinois prairie. Few native plant habitats remain since these fires were eliminated many years ago. The trend now is to reintroduce fire back into the woodland and prairie ecosystem to control growth of invasive species such as buckthorn and garlic mustard while making conditions favorable for native plants to regenerate and thrive.

Controlled burns are a part of our ongoing maintenance program. The fire will pose no threat to life or property, nor woodland and wildlife because of the slow burning characteristics of the fire and monitoring by trained staff and experienced burn contractors.

Notification of the exact time and date shall be made to the local police and fire department as soon as these are set. If you have any questions or would like more information concerning the controlled burn program, feel free to call the Parks Department at 847-360-4725.

Rain-Out Card

If the manager must close the facility due to rain or thunderstorms, rain-out cards will be distributed to all patrons in the facility. The card is good for the 2017 summer season and allows you to enter the pool another day for only \$3.00.

"Too Cool Days"

Don't let those unseasonably cool summer days keep you from enjoying a relaxing swim at Ganster Pool. When the temperature drops, so does the admission fee! If the temperature drops to 72 degrees or less, the admission fee drops to \$3.75.

When this occurs, the manager will make a decision on whether or not to reopen the facility at consistent checkpoints throughout the day. These checkpoints will be at 3pm and 5pm for Howard E. Ganster Pool. Facilities will close early if:

- There is a threat of violent weather, lightning is sighted or thunder heard.

Pet Programs

OBEDIENCE TRAINING

We are here to help you teach your dog to become a well-behaved family pet, one that is a joy to own and a pleasure to take anywhere! All teaching and training methods from instructor Karin Magnuson are based on reward, motivation, and positive reinforcement, as well as dog and handler training needs. By using these effective methods, training becomes fun for both dog and owner! There are also plenty of opportunities for your dog to practice staying calm while socializing with other people and dogs. The first night of class, please bring your dog's vaccination/health records. Owners of aggressive dogs must be in control of their pets at all times to remain in class. One owner per dog is required. Only registered dogs and owners may attend class. Dog and owner should attend all classes. Please do not use retractable leashes.

Basic #31001302

This class is for dogs ages five months and older. Here you can begin or continue learning how to train your dog to walk properly on a leash and obey sit, stay, and come commands.

AKC S.T.A.R. Puppy® Program

The AKC S.T.A.R. Puppy is an exciting new program designed to get dog owners and their puppies off to a good start. The AKC S.T.A.R. Puppy Program is an incentive program for loving dog owners who have taken the time to take their puppies through a basic training class. How It Works: When you complete our basic training class (taught by an AKC Approved CGC Evaluator) with your puppy (up to six months old) your puppy is eligible to be enrolled in the AKC S.T.A.R. Puppy Program. You'll attend any puppy or basic training class at least six weeks. Your instructor will administer the AKC S.T.A.R. Puppy test during and at the end of the course. We want you and your puppy to continue learning beyond puppy classes

AKC's Canine Good Citizen®

This is the next step to take after you and your dog complete the AKC S.T.A.R. Puppy program. The AKC's Canine Good Citizen (CGC) Program is designed to reward dogs who have good manners at home and in the community. The Canine Good Citizen Program is a two-part program that emphasizes responsible pet ownership for owners and basic good manners for dogs. All dogs who pass the ten-step CGC test may receive a certificate from the American Kennel Club. This test is administered on-site after completion of the Advanced Dog Obedience program. There is a \$10 fee for AKC or Canine Good Citizen registration.

All K9 Programs are instructed by a certified AKC Approved S.T.A.R. Puppy and Canine Good Citizen® Evaluator.

DOG AGILITY

In this class, the handler directs the leashed dog through an obstacle course set by instructor Karin Magnuson. Owners may cheer, clap, and call the dogs through each obstacle as it best serves them. There are jumps of various makes, climbing obstacles, weave poles, tunnels, and a pause table. This class is always entertaining whether the dog does as you ask or not. It's fun for everyone! Please bring your dog's vaccination/health records to the first class. Owners of aggressive dogs must be in control of their pets at all times to remain in class. Dog and owner need to have completed an Advanced Obedience Training class prior to registering.

Basic Agility #31002301

Callahan-Franklin Dog Exercise Area and Agility Playground

The warmer weather calls us to get outdoors, possibly enjoy a walk and playtime with your canine friend. The Callahan-Franklin Dog Exercise Area and Agility Playground, 1720 Western Avenue, offers a great off leash area for dogs to play. The exercise area is divided into three sections: small dogs, larger dogs and the agility playground.

For your dog's safety and your own, please read and follow the rules posted at the entrance to the play area so all may enjoy the park. Your dog needs to be under voice control at all times in the dog park. All dogs in a park must be vaccinated and display a vaccination tag. We hope you enjoy our park and don't forget to scoop the poop!

RALLY OBEDIENCE

Rally combines characteristics of agility and traditional obedience for dogs and owners into a new fun and challenging sport. Rally Obedience is timed and includes 1-34 performance stations depending on the level of participation. It is critiqued by the instructor who watches for a smooth performance as well as skill in following the directions at each station. A sign at each station gives instructions to the dog-handler team, and each team must execute the station's particular task within two-to-four feet of the sign. Rally is an opportunity for veteran dogs to remain active and a chance for shy or antisocial dogs to get experience. Many dogs enjoy this change from the usual silent heeling of traditional obedience classes as their handlers can clap hands, talk, or whistle to them throughout the entire course in a dance like flow. This class is not AKC certified. Participating dogs must have already completed an Advanced Dog Obedience training class. Now your dog has more options for fun and a purpose to utilize that sniffer of his. Our instructor Karin will teach you and your K9 how to have fun exercising his natural scenting abilities by hunting either food or toys. The class is great for all types and sizes of dogs, and great for a dog that is bored and wants to play.

Novice/Intermediate #31003301

This class is for beginners and for those having already completed the Novice class. All exercises are performed with the dog on leash and demonstrate the dog's understanding of basic commands such as sit, stay, down, and come and heel position. Karin will adjust class teachings to accommodate intermediate level.

If Tennis is a sport you are looking to try out or make it a life-long sport, then take advantage of this opportunity. Both spring and summer will offer you and your children a great tennis experience at an exceptional price. Programs offered by the district are designed by the USTA so learning tennis is fun and developmentally appropriate. Instructed by Coach Randy Malone. Class fee is based on the number of classes per session.

10 and Under/Youth Tennis

Age 6-10

It's easier than ever to get in the game. Your child will enjoy playing with balls that bounce lower and move slower through the air, making them easier to hit. Racquets are sized for small hands, making them easier to grip and swing. Courts are smaller, so kids can cover them and have more success when they play. Kids have more fun—and want to play more often. Tennis is a sport that gets kids moving, improves balance, agility and hand-eye coordination, and can teach self-confidence and self-assurance. Playing tennis, your child can make new friends in a safe, supportive environment. By getting your kids into the game you'll be opening a door to a lifetime of enjoyment!

GREEN SPACE RENTAL

A "Green Space" Permit is issued for groups of 25 or more who wish to gather in the park, but do not wish to rent a pavilion. The Green Space Permit allows us to schedule larger groups using the parks to prevent overcrowding, and also assists the Park Patrol officers in enforcing regulations. This permit does not reserve any particular space in a park, nor does it guarantee the use of picnic tables or grills, which are on a first-come, first-served basis. **Parks are limited by capacity—please see the Green Space Rental Application for details on which site can best suit your needs.**

Group Size	Resident/Non-Resident
1-25	FREE
26-100	\$50 / \$100
+100	Contact Parks Dept. at 847-360-4725 for pricing and assistance in planning your event.

Parking & Amenities

Parking: Residents are encouraged to use the off-street parking areas provided in many District parks. Vehicles are not allowed on grass in parks. It damages the turf and drainage and also causes danger to park patrons.

Grills & Tables: All pavilions are equipped with a grill and tables, which should not be removed. Green Space picnic tables are available on a first come, first served basis. Additional tables can be brought in or rented at \$10.00 each as available. Personal grills can be used in the park.

Restrooms: Public restrooms are open from mid-April through mid-October, weather permitting, from sunrise to sunset.

Other services may be available to accommodate special needs.

Call Lali Salinas at the Parks Department at 847-360-4725 or email lsalinas@waukeganparks.org for information.

Every attempt at reasonable accommodation will be made so that individuals may participate in desired programs. If you have any questions on accessibility, please contact Mike Trigg, Superintendent of Parks, our ADA Coordinator, at 847-360-4725.

Waukegan Park District is committed to meeting your unique, individual leisure needs. Please call us if we can assist you at any time at 847-360-4760. Please attach a description of any accommodations needed to your registration form. This procedure will help ensure your enjoyment of our program.

Inclusion Information

Waukegan Park District is committed to meeting your unique, individual leisure needs. If you feel you/your child are in need of inclusion services, please contact Kari Robinson at 847-360-4763 to start the process of assessment. Waukegan Park District-Special Recreation will determine inclusion service needs based on an Inclusion Assessment it conducts. Inclusion will be determined on a case by case and program by program basis. Each request is unique and is determined individually. Please contact Kari Robinson at 847-360-4763 to have you or your child assessed to determine if they qualify for inclusive services and to determine how quickly services can be coordinated. Special Recreation staff requires two weeks to set up appropriate services for the participant. Typically, Assessments can take up to one week. Once the Assessment is complete, it typically takes an additional week to arrange for inclusive services. Please be aware not all personal care needs can be met by the district.

Special Accommodations

It is the responsibility of the parent or participant to notify the District of any medical, physical and/or mental conditions that may require special consideration by the District staff. This is for everyone's protection, and your confidentiality will be respected.

Resident and Non-Resident Fees

Residents support Waukegan Park District programs, facilities and services through property taxes. Therefore, residents pay reduced fees and non-residents generally pay greater fees. Waukegan Park District boundaries encompass areas outside of the City of Waukegan boundaries. People living within the Park District boundaries pay taxes to the District and are therefore considered Waukegan Park District residents. The quickest way to determine your Park District resident status is to check your residence property tax bill, which lists the park district you pay taxes to or call the Park District at 847-360-4700.

Participant Behavior Guidelines

Please be advised that fighting, rough play, threatening bodily harm, disorderly conduct, profanity and disrespect of staff or others are prohibited. Violations may lead to immediate removal from facility. The Waukegan Park District reserves the right to revoke membership and/or daily privileges for failure to abide by the rules and regulations without refund.

Be A Good Neighbor

Please respect the rights and property of the neighbors living by the parks! A few reminders:

- Use the sidewalks and pathways when walking to parks. Cutting through private yards is not appropriate.
- Trees, bushes, fences, etc. should not be used as bathrooms. We suggest family members use their own bathrooms before visiting parks.
- Trash should be discarded into trash cans in the park. When not put into cans, it often blows into neighbors' yards.
- By following these guidelines, your visit can be more enjoyable for everyone. Please report any vandalism by calling 847-360-4725.
- Our parks are tobacco free.

Leave Footprints – Not Trash

We ask people who visit our parks to "leave footprints behind, not trash." Brown trash barrels are placed throughout our parks; help us put litter in its place. Please recycle when available.

Photographs and videos are periodically taken of people participating in Park District programs and activities. All persons registered for Park District programs/activities or using Park District property thereby agree that any photograph or video taken by the Park District may be used by the Park District for the promotional purposes including, but not limited to, posting the photograph/video on the Park District's website, and/or its promotional videos, brochures, fliers, and other publications without additional, prior notice or permission and without compensation to the participant.

Pets

Pet owners, please remember that the Park District enforces the "Pooper Scooper" law. Walk your pet on a leash and clean up after it. No animals are allowed in playgrounds or fenced areas of any park except for the dog exercise area at Larsen Nature Preserve.

Park Security Program

When visiting a park you may notice a police officer patrolling the area. The Waukegan Park District and the City of Waukegan have a cooperative program to increase security in our park system and facilities. Off-duty police are hired to patrol parks and routinely walk through the parks, visit programs and assist park users. Also, throughout the day and night regular police officers make patrols during their normal shift. If you witness a crime or vandalism occurring in a park or golf course, please report it immediately to the Waukegan Police Department, 847-360-9000, or the Waukegan Park District, 847-360-4725. If the incident constitutes an emergency, please dial 911.

Vandalism

Each year, the Waukegan Park District suffers thousands of dollars worth of damage from vandalism, and these costs are absorbed by the taxpayers. If you witness vandalism, please notify the police at 847-599-2608, or call the Parks Department at 847-360-4725 with any information that could lead to the apprehension of the vandals.

Important Information

The Waukegan Park District (hereinafter referred as WPD) is committed to conducting its recreation programs and activities in a safe manner and holds the safety of participants in the highest possible regard. The WPD continually strives to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of minors registering for the below listed programs/activities must recognize that there is an inherent risk of injury when choosing to participate in recreational activities/programs.

You are solely responsible for determining if you or your minor child/ward are physically fit and/or skilled for the activities contemplated by this agreement. It is always advisable, especially if the participant is pregnant, disabled in any way or recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical activity.

Warning of Risk

Recreational activities/programs are intended to challenge and engage the physical, mental and emotional resources of each participant. Despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury when participating in any recreational activity/program. Understandably, not all hazards and dangers can be foreseen. Depending on the particular activity, participants must understand that certain risks, dangers and injuries due to inclement weather, slipping, falling, poor skill level or conditioning, carelessness, horseplay, unsportsmanlike conduct, premises defects, inadequate or defective equipment, inadequate supervision, instruction or officiating, and all other circumstances inherent to indoor and outdoor recreational activities/programs exist. In this regard, it must be recognized that it is impossible for the WPD to guarantee absolute safety.

Waiver and Release of All Claims and Assumption of Risk

Please read this form carefully and be aware that in signing up and participating in the identified programs/activities, you will be expressly assuming the risk and legal liability and waiving and releasing any and all claims for injuries, damages or loss which you or your minor child/ward might sustain as a result of participating in these programs/activities (including transportation services/vehicle operation, when provided).

I recognize and acknowledge that there are certain risks of physical injury to participants in these programs/activities, and I voluntarily agree to assume the full risk of any and all injuries, damages or loss, regardless of severity, that my minor child/ward or I may sustain as a result of said participation. I further agree to waive and relinquish all claims my minor child/ward or I may have (or accrue to me or my child/ward) as a result of participating in any and all programs/activities against the WPD, including its officials, agents, volunteers, independent contractors, instructors and employees.

I further agree to indemnify, hold harmless and defend the WPD and its officers, agents, servants and employees from any and all claims associated with the activities of this program.

I do hereby release and forever discharge the WPD from any and all claims for injuries, damages or loss that my minor child/ward or I may have or which may accrue to me or my minor child/ward and arising out of, connected with or in any way associated with these programs/activities.

In the event of an emergency, I authorize Park District Staff to secure from any licensed hospital, physician and/or medical personnel any treatment deemed necessary for my minor child/ward and agree that I will be responsible for the payment of any and all medical services rendered.

I have read and fully understand the above important information, warning of risk, assumption of risk, waiver and release of all claims, and indemnification and hold harmless. If registering on-line or via fax, my on-line or facsimile signature shall substitute for and have the same legal effect as an original form signature.
