Wayne Letman
President WBA, 2022

President's Foreword

Officers and fellow bowlers:-

I am honoured and privileged in becoming the Welsh Bowling Association President for the forthcoming 2022 season. I would like to thank South Glamorgan Bowling Association and Penylan Bowling Club for their nominations and continued support.

My thanks also go to Past President Will James and outgoing President Paul Watkins for their guidance and leadership over the past two years.

COVID has seriously disrupted the game we all love, and Paul has worked tirelessly to maintain the high levels expected of the President and I will attempt to follow and maintain this high level of commitment.

I am looking forward to working alongside past President Paul Watkins and Senior Vice President David James and I would like to congratulate Arwel Edwards on becoming Junior Vice President.

My thanks also go to our Officers and Executive Committee for their hard work running our association through "zoom" these were challenging but well organised meetings.

In these changing and difficult times talks are proceeding regarding unification with the Welsh Ladies Bowling Association and my thanks go to Barry Fleming, Glynne Jones, John Manfield and John Phillips in their discussions and hope that a full working relationship can be achieved.

I would like to wish Team Manager Robert Weale and the players selected, every success in representing Wales at the Commonwealth Games in Leamington Spa Birmingham, and to all the other players selected for the Senior and Under 25 teams. Much credit must go to the selection committee, for their hard work in selecting the 5 players hopefully going to Leamington Spa.

In finishing can I thank outgoing Treasurer Ray Davies and Peter Brill Safeguarding Officer for their hard work over many years. Peter and Ray have been tireless in their work and will be sadly missed.

Hon Secretaries Report 2021

Mr. President, Officers, and Gentlemen.

May I first give my thanks to all the officers and bowlers who have looked after this game of ours during the restrictions imposed, on the whole of Wales, due to the Covid crisis over the last two years. They have done a tremendous job looking after us and I would like to thank you all for the time and effort you put in to enable bowling to take place last season.

Bowls Wales

I would like to take this opportunity to thank the staff at Bowls Wales and the WWBA for their help in putting together the legislation required to enable the outdoor season to take place during 2021. There were many hours of work putting this together and posting it on the various websites and I am grateful for their assistance in this matter.

Bowls Wales are in the process of commissioning an experienced consultant to conduct a comprehensive review of bowls and its structure in Wales. The current structure with Bowls Wales operating as an independent entity alongside the six National Governing Bodies (NGB's) and one service organisation representing umpires has been in place since 2017. An independent consultancy was commissioned by Bowls Wales in May 2021 to conduct research and to provide guidance and recommendations about the parameters of a review of the sport through conducting in depth interviews covering a range of areas with Bowls Wales and NGB representatives. A scope review was conducted by Council Ltd. which provided a comprehensive report revaluation. The intention is to appoint a consultant who can lead, deliver and provide evaluation from a review of the sport which includes the parameters set out below.

Governance, Structure, Communication, Safeguarding, Diversity and Inclusion Technology. The result of this, hopefully, will be presented in 2022.

British Isles Bowls Council

Further to discussions about the BIBC/BIWBC unification recently, it was agreed at the BIBC AGM that all nations would explore the new format for the future British Isles Internationals. International bowls events are in transition with the World Bowls Championships now scheduled to take place every two years. World Bowls are reviewing its Calendar and recent changes to the BIWBC. With this in mind, I will endeavour to explain what is actually happening because I feel it is critical that British Isles Internationals meet the varying needs of the competing nations and delivers in the future a positive return on investment.

At the moment, it is too far removed from World Bowls level competition and not sufficiently valued by its stakeholders, taking a significant chunk of budgets or financial input from them in the process.

Following discussions, it has been agreed that a brief be developed to shape the format of the new event. Once agreed by the BIBC/BIWBC representatives from the nations, each performance directors input should represent the overall opinion of its nation, including consultation between the BIBC and the BIWBC to agree a format and how it would be managed and administered.

The Brief

The new event should deliver against the following objectives.

To provide an optimal competitive environment to prepare the British nations for success at world level competitions.

To be valued by each country, players and coaches, delivering a positive experience.

To develop a pathway to identify talented bowlers and provide opportunities for them to experience international competition.

To have the potential to be used effectively by coaches as an indication of selection for world level competition.

To support the development of officiating and event organisation in order for our officials and volunteers, along with staff, to be able to perform well at world level and deliver a world class team.

To create a format that can be entertaining for spectators and appealing for potential sponsors.

To present bowls as a modern sport with parity in genders.

Considerations

The following are important considerations whilst developing the proposals.

Nations finances are finite and the dilution of investment across players needs to be balanced, with the importance of providing an opportunity to players outside the high-performance squad.

The proposals should ensure there is also a development competition / pathway but there is no fixed view on age limit.

The practicality of hosting the event(s) across the nation needs to be considered in terms of delivering the objectives and ensuring value for money.

There is no fixed view on dates for the event, however we should be mindful of the need to agree a programme of activity that can, over time, become standardized across the nations in order to assist with the domestic programming and appointment to view.

There is an aspiration in the future for the event(s) to generate spectator, media and commercial interest.

Next Steps

Performance directors to discuss and propose the optimal structure to deliver against the objectives by early June.

BIBC / BIWBC to discuss – this would probably happen over a series of meetings. Aim to finalise the proposals during the event for England end of July / August. I am aware that meetings have taken place and that there are a few countries happy with the proposals that have been made so far, and probably there will be meetings in the New Year to discuss the proposals further.

Bowls Europe

Incorporation as a limited company. A meeting was held on Saturday 25th September 2021 to propose that the European Bowls Union be formally rebranded as Bowls Europe and operate as a company with all assets and membership transferred into the new company, Bowls Europe Ltd. With their articles of Association and the rules and regulations, they have appointed a Board of Directors, as follows.

Robert Christie, Chairperson and Director
Gary Collins, Administration Director
Jock Halliday, Events Director
Graham Cathcart, Marketing and Social Media Director.

There were no nominations for Commercial Director and as per articles, the board will consider co-opting individuals to increase the board members and to address the gender imbalance. Awaiting the details for the board meeting.

Unification

The articles of association to enable an organisation to become a limited company by guarantee was sanctioned by the WBA executive on 22nd September 2020. We informed Sports Wales and Bowls Wales of our intentions and they both agreed to support us, they were pleased that after all this time we were looking to become unified. This was the beginning of a vast amount of work for the ladies and the men to draw up such a document. A committee was formed of four men and four women to put together such a document. A major plus was that we had a professional person, Sue Holvey, who guided us through the whole process. Every meeting that was held, a set of minutes was drawn up and presented to both executives to read and make adjustments if it was necessary. This included all the correspondence that was generated by me, The ladies Secretary, Hazel Wilson and Sue Holvey. We also contacted the clubs and held meetings with them along with the county secretaries and asked for their thoughts on which way we wanted to go forward. This was a satisfying exercise as the clubs were meeting people who they had never seen before and vice versa. This was a very stressful and time consuming exercise but well worth while and we did feel that people were starting to understand what we were trying to achieve and why. They could also see the benefits of it.

The articles were completed and sent to each executive to discuss at their meetings, on Thursday 23rd September 2021, for the men and the following week for the ladies. The men totally rejected the articles and to say I was disappointed is an understatement. The suggestion was then made to form a committee of four men and four women to draw up a new constitution with another set of rules and regulations for unification.

National Finals

These were held slightly later this year due to restrictions but my feedback was (I was unable to attend due to health reasons) they were well organised and I congratulate John Manfield and John Phillips on a job well done.

On the back of the National Finals came the test matches against Scotland, England and Ireland for selection for the Commonwealth Games to be held in 2022 in Leamington Spa, Birmingham. These were organised by both team managers, Robert Weale and Hazel Wilson, who organised the events to a high standard and were very pleased with the way that they all turned out and the standard of bowls produced.

After an intense trial, the following were selected for the Commonwealth Games.

Jarrad Breen, (Harlequins), Owain Dando, (RTB Ebbw Vale), Ross Owen, (Harlequins), Jon Tomlinson, (RTB Ebbw Vale), Daniel Salmon, (Penylan), and reserve Chris Klefenz, (Beaufort).

I am sure you will join me in wishing all the players selected every success and hopefully bring some medals back.

Internationals 2021

As you are aware the international series didn't take place this year 2021 because of the covid restrictions and rules, hopefully we will resurrect it in the future.

World Bowls

World Bowls are putting together a new bowls advisory group to support a bid for Olympic recognition for able bodied and para sport disciplines. The Bowls Australia CEO will chair the group and the panel will initially focus on the preparation of a plan that addresses all key issues and milestones that are required to enable us to be recognised as an olympic sport by the IOC and IPC.

The next world championships are to be held in Queensland on the Gold Coast from August 29th until September 10th 2023. Organisers have undertaken to hold the first staging of a revised format in 2023 which will move it to a biennial event rather than a quadrennial staging and to do away with all barrier qualifying events to increase global participation. The three Gold Coast Clubs are Broadbeach, Helensvale and Musgrave.

WBA Team Manager Report 2021

The bowls calendar for 2021, as with 2020, was severely impacted by the Covid 19 pandemic. The British Isles Bowls Council had taken an early decision to cancel events to be held under their jurisdiction – the Senior and Junior Internationals and the British Isles Championships. Therefore, the main focus for 2021 was to run a series of trials and test events as a selection process for the 2022 Commonwealth Games in Birmingham. Gathering strong evidence from these events was crucial in order to support our nominated athletes for ratification to participate in the games as per the Lawn Bowls Commonwealth Games Birmingham 2022 Athlete Nomination Policy.

The WBA Executive approved the outline plan for the season presented by the Team Manager. Namely a development day, 2 trial days and a series of high-level test events against our neighbours England, Ireland and Scotland.

The WBA selectors convened and selected 24 athletes to participate in the process. It was agreed that this number to be cut to 12 following trial 1 and reduced to 8 following trial 2, with those athletes then participating in the test events. Following conclusion of the test events 5 athletes (plus 1 reserve) would be nominated to Commonwealth Games Wales for ratification, and hopefully selection, for Birmingham 2022.

Development Day – 30th May, Llandrindod Wells

The 24 players were invited to the development day at Llandrindod Wells. The purpose of this event was to 'covid test' the venue and ensure all the covid protocols written by myself, Hazel Wilson and the host club worked satisfactorily.

It was also to allow the selected players the opportunity to have some 'green time' and high-level practice prior to the 1st trial since only limited outdoor play was achieved in 2020.

The weather was good, and the event went really well. It achieved everything I wanted with regard to testing the venue, arrangements for Covid safety, and gathering the squad together. I briefed the players in the morning before play. Laid down a few ground rules, explained the CG selection process and what was expected of them. I think they were all happy with my approach and subsequently enjoyed the opportunity to have 2 sessions of competitive play in readiness for the first trial. The players were thoroughly satisfied with the day.

Trial 1 – 13th June, Llandrindod Wells

The squad of 24 players undertook 3 sessions of assessed play with selectors in attendance all using the same marking system to analyse each player's play. They were also analysing compatibility of players and rink management and also had the chance to try out players in various disciplines. The Team Manager took an overall view of play.

Following trial 1 the squad was reduced to 12 with the selectors considering player assessment and general play. The squad was structured to contain leads, skips, etc.

Trial 2 – 27th June, Llandrindod Wells

12 players attended and 3 sessions of assessed play were completed with selectors in attendance. Following trial 2 the squad was reduced to 8 with the selectors considering player assessment and general play. The squad was structured to contain, leads, skips, etc.

Home Nations Test Event – 29th July to 1st August, Leamington Spa

The WBA accepted an invitation from Bowls England to play in a Home Nations Test Event versus England, Ireland, and Scotland.

Firstly, I would like to thank Ian Slade and Wayne Letman for their support and hard work during the event.

Overall, the squad returned a disappointing set of results over the weekend. However, we were competitive in most games, being in front to halfway or certainly in contention in the game. A failure to 'kick on' and take advantage of these situations when on top led to more losses than we would have expected; a contributing main factor being poor game management. Given more time with the squad I'm confident I can address these failings. In addition, a mitigating factor may be our lack of 'match fitness' at elite level. All other countries had already returned to play at this level earlier in the season and were certainly match sharp.

I could not fault the boys for their efforts and behaviour, on and off the green, whilst representing their country over the weekend.

Test Match v Ireland – 21st to 22nd August, Llandrindod Wells

The WBA extended an invitation to Bowls Ireland to compete in a Test Match at Llandrindod Wells which was gratefully accepted.

My thanks to all selectors who attended the event and for their support and hard work during the event.

Generally, there was a marked improvement from the performances returned at Leamington Spa. All the squad appeared 'match ready' and some really hard competitive matches were played out against a younger Ireland Squad bolstered by an 'in form' Ian McClure. I set the boys a 60%-win target and they very nearly achieved this; if the drawn game was a win (it should have been!) they would have met their target. Some combinations on the green really did gel, some did not! However, this is all important evidence to discuss in selection of our nominated players.

Again, I could not fault the boys for their efforts and behaviour during the weekend.

Home Nations Test Event – 9th to 12th September, Ayr

The WBA accepted an invitation from Bowls Scotland to play in a Home Nations Test Event versus England, Ireland, and Scotland.

My thanks to Adrian Berry, Nigel Williams, and Ian Slade for attending the event and for their support and assistance.

The improvement seen from the home nations test series in Leamington Spa to our home test series v's Ireland in Llandrindod was generally maintained. As seen below a positive series of results was returned in the combination events; particularly pairs and fours with some good dynamics being built up over the summer in these test events. As I've said previously, some have gelled better than others.

Overall

Discipline	Played	Won	Drawn	Lost	Shots
Singles	5	1	0	4	-34
Pairs	5	3	0	2	15
Triples	5	2	0	3	12
Fours	5	3	1	1	14

Again, I could fault the boys for their efforts and behaviour during the weekend.

Player Nominations for Commonwealth Games Birmingham 2022

Following the conclusion of our event programme for 2021 the selectors convened on 14th November at Merthyr Tydfil IBC in order to nominate a squad of 5 players, plus 1 reserve, for participation in CG 2022. As per the nomination policy the selectors considered the final squad of 8 players performances, results and general play to form the best combinations for medal success at the games. The nominated players are presented to CGW for the Team Wales selection process held during May 2022. We are hopeful that our nominations will be ratified and that a full squad of 5 players will be representing Team Wales in the games.

My congratulations go to the nominated players; Daniel Salmon, Owain Dando, Jonathan Tomlinson, Jarrad Breen, Ross Owen and Chris Klefenz(reserve).

On this occasion commiserations to Kevin James and Martin Clarke-Squires.

BIBC

A brief was supplied by the British Isles Bowls Council to member governing bodies in order for officers to devise/recommend a new British Isles event format. The WBA Executive tasked me as WBA Team Manager to attend meetings with Performance Heads from Bowls England, Ireland and Scotland and Hazel Wilson from WWBA.

The British Isles National Championships was outside the scope of this proposal, but all performance heads felt this is a valued championship which should continue, but it should be integrated with the women's championships and held as a stand-alone championships where all National Champions compete for the ultimate prize in British Isles Bowls - grassroots club bowlers all coming together. This will give it its own unique importance in the Bowls Calendar. Further the junior, U25, series was also outside the scope of this document and that it was up to the BIBC/BIWBC to decide if this was to continue on the calendar.

From a personal point of view, and one I've raised at WBA Executive Meeting supported by email to the group, I do not want to lose the BIBC Outdoor men's International series. It is not broken! It is still a very competitive series which each of the Home Nations can win and this has been proven over the past few years. Minor tweaks to the format could work - ie, 5 rinks? I do not want to lose the history of this wonderful Championship. I feel such an event as proposed by the performance heads should be as well as, not instead of, the BIBC/BIWBC International Series. The problem this gives is that it would add to an already cluttered bowls calendar but one that would need to be solved.

At the time of writing this report I am unaware if the BIBC member nations have made a decision regarding the future of the BIBC Senior International Series, but it is clearly now up to the BIBC/BIWBC member nations on the road they wish to follow. Although I anticipate that their grassroots members will be against such change and losing the history and tradition the Home International Series has given us all as bowlers.

Robert Weale WBA Team Manager

Welsh Academy

The s10 competition restarted after the break in 2020 with 7 Academy teams competing to become Welsh Champions. The sides representing Monmouthshire and Pembrokeshire/Ceredigion competed in the final at Llandrindod Wells with Monmouthshire finishing as eventual winners of the Ken Price challenge cup.

In April we held a combined Academy trial/coaching event with the support of the WBCA with a number of the participants being invited to join our Academy. However, due to the compressed season there was no opportunity for the Academy to meet again. I am hopeful for more opportunity during 2022.

The Academy played against the Barbarians BA for the John Austin trophy. My thanks go to Peter Brill, President of the Barbarians BA for agreeing to the fixture. The Academy team acquitted themselves well and came out eventual winners.

Despite initial optimism the planned U18 Test series in Scotland was not able to go ahead due to ongoing restrictions. I hope that we can work alongside Scotland and Ireland to reconvene in 2022.

Welsh Bowling Association

Code of Conduct

ALL MEMBERS OF MEMBER CLUBS AND COUNTY ASSOCIATIONS OF THE WELSH BOWLING ASSOCIATION ARE, AT ALL TIMES, SUBJECT TO THIS CODE OF CONDUCT AND THE DISCIPLINARY PROCEDURES SET OUT BELOW.

Members are expected to conduct themselves in ways which display the following:

1. Standards of good behaviour, both on and off the green.
2. A sportsmanlike approach to team colleagues, opponents, officials and spectators.
3. Behaviour befitting good ambassadors for the Welsh Bowling Association, its Clubs and County Associations, and the game of bowls.

Any member of the Association's Clubs and County Associations who falls below these standards, thereby bringing himself and/or the Welsh Bowling Association into disrepute, shall be subject to disciplinary action.

At W.B.A. events, players and officials are expected to be punctual and to meet organisational requests promptly, so helping the event run smoothly.

Players and Officials who represent their Country are in favoured and privileged positions, and have the responsibility of performing to the best of their ability. This assumes a mature and sensible approach, especially in relation to personal fitness and condition, and requires good preparation, sensible enjoyment and recreation and proper rest.

DISCIPLINARY PROCEDURE

A. SUBMISSION OF COMPLAINTS

1. Any complaint which is made directly to the W.B.A. should be lodged in writing with the W.B.A. Secretary within 14 days of the incident which gave rise to the complaint. If a complaint has been made to a Club or a County Association, but is felt necessary to refer this to the W.B.A. for further consideration, this referral should be lodged in writing with the W.B.A. Secretary within 28 days of the incident.
2. A date for a Complaints Hearing will be set by the Secretary.
Written notice of this meeting, showing the date, time, and venue of the meeting and indicating the matter to be discussed, accompanied by copies of the complaint and any response, will be sent by the secretary to all members of the Complaints

Sub-Committee, the complainant and the person complained against, no later than 7 days prior to the date of the meeting.

B. COMPLAINTS HEARINGS

1. A complaint will be heard by a Complaints Sub-Committee comprised of 3 members of the Executive Committee, one of whom shall be appointed Chairman of the meeting. The meeting will be attended by the Secretary (or an Assistant Secretary), to record the proceedings; he will not be entitled to vote.
2. Individual members, Clubs or County Associations presenting the complaint or being complained against may be represented at the hearing. Both parties to the complaint shall be present while the complaint and response are being heard by the Sub-Committee
3. A written report on the incident which gave rise to the complaint shall be submitted to the Complaints Sub-Committee by the person or organisation initiating the complaint, or their representative. Members of the Sub-Committee may then ask any questions relevant to the issue in order to clarify any point in the report.
4. Following this report, the party complained against or their representative may present their view of events to the Complaints Sub-Committee. Members of the Sub-Committee may then ask any questions relevant to the issue in order to clarify any point in the report.
5. Witnesses shall be limited to one on either side.
6. Following clarification of all necessary points, both parties to the complaint shall be asked to leave the room while the complaint is discussed by the Complaints Sub-Committee, but may be recalled for further clarification if necessary.

C. ADJUDICATION

When the Complaints Sub-Committee has discussed the matter and reached a decision, the Secretary shall, in writing and within 7 days of the meeting, advise both parties to the complaint of the decision reached.

Appointment of Coaches

There is outstanding work being done by many qualified coaches, but it has been brought to the attention of the Association that some Clubs are using unqualified people, not recognised by the Association by virtue of their not having received appropriate training, or by allowing their membership to lapse.*

***(NB: These persons are not covered by the Association's Insurance).**

The Welsh Bowls Coaching Association has qualified coaches spread throughout the Principality. Although we have not yet reached the ideal of a coach in every Club, there are qualified coaches available in all areas. Each area has a Regional Co-ordinator who can be contacted should a club require the use of a coach, who should be willing to arrange training to qualify as such.

Safeguarding and Protection of Children

Every Club has a duty to appoint a Safeguarding Officer. That person should display a notice in their Club indicating how they can be contacted should any incident arise. Clubs can share an Officer within their County. The Officer should familiarise themselves with both Policies and Procedures, as adopted by the W.B.A. and accessed on the Bows Wales Web Site under the heading Governance. When Training Courses are made available the Officer should ensure attendance and if they deal directly with children under the age of 18 years obtain a C.R.B. Check (Disclosure and Barring Certificate). Clubs are urged to download a copy of the relevant documents and to make them available for reference on the premises. Consideration should be given to the Club to placing items concerning safeguarding on the Agenda for Club Committee meetings.

The National Lead Safeguarding Officer may be contacted should any guidance and assistance be required.

Drug Abuse in Sport

1. The Welsh Bowling Association is committed to the eradication of drug abuse in sport, and it will strictly adhere to the UK Anti Doping Rules. The W.B.A. supports the policy that will result in bowlers agreeing to undergo drug control tests to ascertain the presence of any forbidden substance in the bowler's body at the time of the test. These rules will be updated on website: www.ukad.org.uk/documents@uk-antidoping-rules/ and the Information for bowlers is available on: www.wada-ama.org/
2. For the information of all members it should be noted that doping is the use by, or distribution to a bowler of banned substances as defined by the I.O.C. Medical Commission, and this is strictly forbidden.
3. In furtherance of this policy, any bowler must, if requested by an official designated by the governing body for the purpose of doping control, submit to a doping control test. Failure to do so will be taken as if a positive result had been obtained, and this will be dealt with accordingly.
4. The identification of a forbidden and/or one of its metabolites, or the presence of specified amounts of endogenous i.e. naturally occurring substances subjected to quantitative analysis in a body fluid, will constitute an offence and the offending player will be penalized. Doping substances for the purpose of this rule comprise the following groups:
 - a Psychomotor Stimulant Drugs e.g. cocaine
 - b Sympathomimetic Amines e.g. ephedrine
 - c Miscellaneous Central Nervous Systems Stimulants e.g. strychnine
 - d Narcotic Analgesics e.g. morphine and heroin
 - e Anabolic Steroids e.g. methandriol
5. In this context it must be emphasized that, for these regulations, caffeine will be dealt with as though it were an endogenous substance.
6. It must be further noted that any person assisting or inciting others in the contravention of doping regulations, shall be considered as having committed an offence against these rules and will be subject to disciplinary action by the Association.
7. Any bowler undergoing medical treatment and in doubt as to whether drugs prescribed and taken by him are likely to fall within the categories listed above, should consult his doctor or, in the case of members of an International Team, his Team Manager.
8. Clubs may be required to make available a private room where a player may submit himself to a doping control test.
9. The World Anti Doping Agency has produced a revised list of banned substances from 1st January 2013. All relevant information can be found on their web site: www.wada-ama.org
